Carol Ernst
WEIS MARKETS' DIRECTOR OF CONSUMER SERVICES

With the price of Spanish olives out of sight, due to a poor crop, I would like to suggest a versatile alternative. THE EARLY CALIFORNIA RIPE PITTED OLIVE can be everyone's favorite at our low price. There are no pits for you to worry about or for a child to swallow. Why not try some as a garnish or as a colorful addition to a salad or casserole. Experiment today, you may develop a new taste sensation. I would like to take this opportunity to wish all of our customers and friends a very Merry Christmas from all of us at Weis Markets. *Carol Ernst*
