### Brief Items.

Mr. John M. Foose, of Spring twp., has a four legged chicken which is now about a month old.

Mr. W. Stambaugh near Blain has a curiosity in the shape of a duck, having three legs, the one being behind the other two.

On Sunday night a week the tailor shop belonging to Mr. Harry Fisher at Montgomery's Ferry, was broken into and robbed of a few small articles.

A young man named Torbett, employed as night operator at the signal tower at Baily's fell from a freight train on Wednesday morning and received severe injuries.

Ice Cream on Tuesday evening, and every evening during the Ice Cream season at Mrs. Derrick's Hotel. Try it.

Ezra David Riserer, who was held on the charge of killing Mr. Miller in Lebanon county, was brought before Judge Henderson, a few days ago, and after a hearing was returned to jail to await his trial.

The board of Pardons has recommended that a pardon be granted to John F. Baker, sentenced in 1874 from this county for a rape. The case was argued before the board on Wednesday last by A. M. Markel, Esq., and he was assured by the Governor that the pardon would be granted.

Francis W. Woods, a little son of Samuel Woods, of Blain, was thrown from a colt on last Monday. The colt tramped on his leg, above the ankle, breaking the bone in a serious manner. The flesh was torn from the leg very badly. He was carried to his home, a distance of a mile on a lounge.

A valuable horse belonging to M. & T. Miller, the popular potters of Howe twp., died on last Thursday evening. He was sick only three hours. The disease is new to horsemen, and appears to be congestion of the stomach. A horse belonging to Robert Hunter, of Hunter's Valley, died on Friday last with the same disease.

The way to insure victory is not by threatening with political ostracism every man who does not vote the full ticket but by nominating good men. The office-holders may pack conventions and nominate bad men, but the tens of thousands that scratched their tickets at the late elections will again teach them that honesty and capability are the essential qualifications to secure their support.

Dropped Dead.—Mr. Adam Cretinger, residing near the Montabella Furnace, fell over and instantly expired on Friday night last. He had just returned from the fire at John Weaver's when it occurred.

Struck by Lightning.—On Tuesday evening, about 8 o'clock, the barn belonging to Cassenberg Harris, in Penn twp., was struck by lightning and set on fire.—The building and contents, consisting of a lot of hay, corn-fodder and about 25 chickens, were entirely consumed.

The barn destroyed was the one on his lower farm.

Meat Stolen.—On Wednesday night some persons entered the granary of Mr. W. H. Dum, near Ellitsburg, and when morning came Mr. D. was short about 20 bushels of oats, 7 large hams, 5 shoulders and 2 pieces of smoked beef. The value of the property was nearly \$60.

Salary Fixed.—The Stewards of the different Methodist churches, throughout the Juniata District met at Huntingdon, on Tuesday afternoon last for the purpose of fixing the annual salary of the Presiding Elder. After a full expression of opinion the amount was fixed at \$2,000.

At the late meeting of the Zion's Class at Gettysburg, charges were made against Rev. Ashenfelter for preaching sermons containing doctrines inconsistent with the standard of the Reformed Church. The Committee appointed to investigate the charges are Rev's J. O. Miller, D. D., A. Wanner, A. J. Heller, W. F. Colloffower and J. Kretzing.

"The Above All" is a new brand of chewing tobacco, and is without a peer for excellence and sweetness. For sale, wholesale and retail, by J. B. HARTZELL in Gantt's Building.

See Schwartz's advertisement on 8th page.

**Barn Burned.**—The barn of the property of Mr. John Weaver, near the Montabella Furnace was burned on Friday night last. Mr. W. was in the barn caring for a sick horse, and had a kerosene lamp with him, when the lamp exploded, setting the building on fire.—That was the light seen from this place at about 9 o'clock.

**Arrested.**—On Thursday last, Harry Reynolds and Arthur Stiles, of this place, were arrested on the charge of stealing meat from Mr. Minich's butcher shop. A hearing was had before Esq., Clouser, when it was shown that Stiles stole the meat, and hid it for Reynolds to take home. The meat was found in Reynolds's house.

Stiles was sentenced to pay costs of prosecution, and to confinement in the County jail for thirty days.

Reynolds gave bail for a further hearing of his case on Wednesday of this week.

**Notice.**—An Exhibition will be held in the Court House on FRIDAY EVENING, June 15th, 1877, by the Philomathean Literary Society of the Bloomfield Academy. Choice selections have been made, consisting of Orations, Dramas, Essays, Music, &c. Price of admission—Adults 15 cents; Children 10 cents. Proceeds to be used for replenishing the library.

Tickets for sale at W. Lupfer's, Strickler's and Mortimer's Stores.

**Fisherman's Luck.**—All hands from this office went fishing on Saturday last. We had a good time too, though we did get a thorough wetting and came home with a wagon running on three wheels and a rail. The break down was probably owing to the very large load of fish. For a large part of that load we were indebted to "The Weather Buck," and to the Miller brothers, the well known potters of Howe township. We are so much pleased with their kindness that all hands would like to return them their thanks, but as they hardly know how to express their feelings have concluded to say nothing about it.

**A Perry County Girl in Trouble.**—The Patriot of Thursday last says: Joe Bolen was arrested last evening by Constable Charles Davis, on a warrant issued from Alderman Battis' office, on the information of a young girl who hails from Marysville, and who charges Bolen with having enticed her to a certain locality up town, under promise to procure a place for her, and there assaulted her with the intention of committing a rape. Bolen was taken to the lockup and subsequently sent to prison to await a hearing.

**Plate Glass at Huntingdon.**—It is announced that arrangements have been completed for the establishment of a plate glass factory at Huntingdon. The prime movers in the work are a Belgium company, which is represented by Mons. Brasseur as their agent. This gentleman is a practical man. He has just arrived from Belgium, and, according to the terms of the agreement, will superintend the construction of the works and take charge of them when done. He expects to build the works in eight months. There are to be four buildings. The casting house will be 180 feet long and 120 wide. The others will be 100 feet long, one 60 feet wide, and the other two 80. These are intended for the grinding, smoothing and polishing departments. The works will be erected as single works. The capital stock has not yet been determined. It will probably be \$200,000. It is claimed by those interested that nearly everything needed to make glass of that kind, is to be found in that county, and that the quality is superior to any in Europe.

**Cumberland County.**—We copy the following from the Cumberland county papers of last week:

On Friday last, Mr. William Shimp, one of the most respected citizens of Frankford township, received a severe kick in the chest by a horse, the injuries resulting in death on Sunday evening.

On Saturday morning about two o'clock a large stack of straw in a field belonging to Capt. J. T. Zug, a short distance east of town, was fired by some one, and burned to the ground. The fire made a great light throughout the surrounding country.

George Eppley, of near Bolling Springs met with a painful accident whilst assisting at his brother's barn raising in North Middleton township last Saturday. Mr. E. was assisting four or five others in putting a heavy log in position and in doing so he was accidentally struck on the head, and fell to the ground cutting a deep gash in his forehead as he fell. His injuries, though painful, are not considered dangerous.—*Mirror.*

**Extensive Art-Gallery.**

Next to the Bible, no book is more useful than Webster's Dictionary. The Unabridged is an extensive art-gallery, representing almost every animal, insect, reptile, implement, plant, etc., which we know anything about. It is a vast library, giving information on almost every mentionable subject. It indeed has been well-remarked that it is the most remarkable compendium of human knowledge in our language.—*Household Advocate.*

Our Readers cannot fail to notice the advertisement of ISIDOR SCHWARTZ in another column, where they will find it to their advantage to purchase anything in his line.

**Brothens at Milltown church.** a number of the visitors from a distance sleep and eat in the church. On Friday morning last, at an early hour, a large coal oil lamp in the lower room of the church exploded with a loud report, and in an instant the benches and floor in the vicinity were blazing with the burning oil. With wonderful presence of mind the elder men present took their blankets and sheep skins and smothered the flames before serious damage was done.

**Juniata County.**—We copy the following from the Juniata county papers of last week.

On Monday night a four-year old mare was stolen from the stable of Samuel Valentine in Millford twp. A reward of \$25 is offered.—*Sentinel.*

On Wednesday last, Philo Pannemaker and his son Robert, were engaged in gizzing eels in the Juniata river. In striking an eel, Philo made a mistake, driving the gig through Robert's left foot, making an ugly wound.

On Tuesday of last week, the residence of Mr. Amos Stouffer, in Walker twp., was discovered to be on fire. The fire originated in a bed, in one of the bed rooms upstairs, and the bedding was partly consumed when the fire was discovered. The hired man had a fashion of smoking in the room, and it is supposed the bedding caught fire from a spark from his pipe.

On Friday last Mr. L. M. Ewing, residing at Esh's Mill, in Spruce Hill township, met with quite a painful accident. He was engaged in building a trunk to carry water from the forebay to the water-wheel, and in jumping from the embankment into the forebay alighted on a nail, which penetrated the sole of his foot, near the toes, piercing entirely through the foot.

On Friday last, as Messrs. John and James Patterson, of Spruce Hill township, were returning from church at McCoy'sville, accompanied by Mrs. John Patterson, her two children, and Miss Margaret Patterson, seated in a wagon drawn by two horses, one arm of the tongue became detached from the wagon while descending a hill near the residence of Mr. Daniel Keimer, causing the horses to take fright and run away. The wagon was upset, and the occupants thrown out, seriously injuring the two ladies about the head and face.—*Port Royal Times.*

Last Wednesday evening the Misses Pattons and Mr. Vandyke, Jr., of Centreville, were coming to Millintown quite pleasantly in a carriage. When opposite the Mexico Foundry some disarrangement of the harness frightened the horse, and by a sudden movement he upset the carriage. The three occupants fell out in such a way that their united weight so held the top of the vehicle that when the horse sprung away the carriage top broke off and left the two ladies and the gentleman out, all lying in a heap in the road, entirely clear of the dangerous wreck. The horse dashed away to the creek bordering the town of Mexico, and after traversing it some distance was caught.

For The Times  
ELLIOTTSBURG, June 6th 1877.

**MR. EDITOR.**—A long while has elapsed since I contributed to the columns of THE TIMES; but as I am now at leisure, I will furnish the numerous readers of your journal a few items of news from this section. New bells have recently been placed upon the St. Peter's and Ellitsburg Reformed churches, and in a few weeks they will be dedicated to the triune God. Several pastors from a distance are expected to be present on those occasions to participate in the ceremonies. Arrangements are now being made to procure a large chandelier for the Lutheran church of this place, which, we hope, will enlighten that congregation more brilliant than the old one does. There are now three Sabbath schools organized at Ellitsburg; but in point of numbers the Lutheran school surpasses the rest, having nearly a hundred pupils in regular attendance.

The Hartman Family gave a concert here a few weeks ago, which proved, in all respects, a success.

A Scriptural exhibition was also given here, which was much appreciated by the audience. Miss Weeden's lectures on temperance were highly commended, and many express a desire to hear her again.

Miss Annie Showalter has opened a subscription school in Little Germany, and we learn that she is well qualified for that position.

All the lands in Germany Valley and vicinity have been leased for mining purposes; but the coal and mining company of this valley have suspended operation for the present.—Four or five shafts have been opened, but none to a very great depth. No coal as yet has been discovered.

Mr. G. W. Reeder's corn crib and Mr. Henry Foose's spring house have been visited by some petty thieves, and stole therefrom several bushels of corn and a crock of milk. Mash and milk must be in demand somewhere.

Miss Ella M. Dromgold has become Post Mistress at Ellitsburg, J. T. Rice having resigned. The Post Office will now be removed from the store to the private residence of Mrs. Willis of that place. OMEGA.

**Go For 'Em.**—The potato bug is already doing great damage. The ravages of this nuisance, the cabbage worm, and all other pests of the kind can be stopped by using the "PEST POISON." It is the cheapest and surest remedy to be had. For sale by F. Mortimer, New Bloomfield, Perry county, Pa. tf.
