HOUSE, FARM AND GARDEN.

We invite communications from all persons who are interested in matters properly belonging to this department.

Great Britain's Consumption of Breadstuffs.

The statistics of the movement of cereal produce show that the United Kingdom has imported during the first half of the crop year, from September 1st, 1877, to March 1st, 1878, of wheat and flour, in round numbers, 34,800,000 cwt., which is 60 per cent. increase over last year, and slightly exceeds the very large total of the corresponding time two years ago.

The estimated value of the imports of wheat and flour into the United Kingdom for the six months is \$110,000,000, which is the largest in the history of the trade.

Farmers as Bankrupts.

An Eastern exchange says that, financially, the farmer is the safest man in the country. Of eleven hundred and twelve bankrupts in Massachusetts, only four were farmers, and yet the farming community number full half the population.

Glycerine.

Glycerine is the alkaline base of fats and fixed oils. It is a clear, limpid fluid, having a very pleasant sweet taste, and is applied to numerous uses in medicine and the arts.

Nail in the foot.

As soon as the nail is extracted apply bruised peach leaves to the wound: confine with a bandage, and the cure is as if by magic.

BUCHAN'S CARBOLIC BAIN OINTMENT IS THE BEST SALVE in the WORLD.

Trade Mark. No other Salve or Ointment makes such quick and startling cures. It heals without a scar. It allays pain, and stops bleeding instantly. It soothes a burn or a scald in a minute. It heals a cut and draws out the poison of a wound or sting like magic.

A WONDERFUL QUALITY.—Buchan's Carbolic Bain Ointment contains no grease, and washes off without soap. Its value for use where frequent dressings are necessary is thus doubled.

For Salt Rheum, Sore Throat, Ulcers, Burns, Scalds, Cuts, Wounds, Piles, Sore Eyes, Poisonous Stings and Bites, Barber's Itch, Chapped Hands, Scrofulous Sores, and any and every other purpose for which a Salve or Ointment can be used, Buchan's Carbolic Bain Ointment is the only preparation that can be relied upon. It is a beautiful jelly-colored article, sold in glass bottles with the above "trade mark" without which none is genuine. See to it that your druggist gives you Buchan's, as above described. Circulars sent free on application to the Manufacturers, TOBREY, TEMPLETON, & CO., New York. April 23, '78.
