**Kicked by a Horse.**—Lloyd Garlin, son of Jonas Garlin of this place, was severely kicked by a horse, on Oliver Rice's farm in Miller twp., on Thursday a week. He received two large gashes in the forehead, and another large gash on the back of his head, which he received by falling against a stone wall. He is getting along as well as could be expected under the circumstances.

**Fire.**—Two houses belonging to Henry Bridge, in Carroll twp., were burned on Thursday night, between 10 and 11 o'clock. The buildings were not occupied at the time, as owing to a disagreement, the occupants had been ejected by the owner only a few days before. Of course there is no doubt that the fire was an incendiary one. The barn on the premises was saved.

**Gone Crazy.**—A warrant was last week issued for the commitment of George Yohn to the asylum, his friends fearing that he would do damage to property or persons. For some time he has showed evidence of insanity and from the threats he has made it was not considered safe to have him at large. A number of men have been searching for him but with the cunning of the insane he has so far escaped his pursuers.

On Saturday word was brought to town that Yohn had been detained at the house of Mr. Carberry, in Carroll twp., but when Constable Clouser and his aid reached there it was found that a mistake had been made and the man is still at large.

P. S. As we go to press on Monday afternoon, the officer has gone to Hostetter's, Yohn being held there till the officer arrives.

**Death From Attempted Abortion.**—On Wednesday a week, Emma, a daughter of Mrs. March, of this place, died at Lancaster from the effects of medicine taken to produce abortion. When she found that she could not live, she confessed that she had taken medicine for that purpose, at the solicitation of her husband. She said that a woman named Hutton told them where to go for the herbs with which the tea was made, and that though she purchased it her husband accompanied her to near the store. A post mortem examination was made, and her husband who is named Waltz and Miss Hutton were arrested and held for trial on the charge of being the cause of Emma's death. The deceased was in the twenty-third year of her age.

**Arrested.**—On Monday, the 20th inst., five citizens of Montgomery's Ferry were disturbed from the peace and quiet they had enjoyed for so short a time, by the arrest of William Liddick, on information made by Jacob Bretz. It appeared on the examination, that Mr. Bretz had lost a lot of chickens, and found them in the possession of Messrs. Dunkle & Richards, merchants of that place, who stated they had purchased them from Mr. Liddick. But William denied being guilty of the larceny, asserting that the testimony was not sufficient against him for conviction, inasmuch as the property bore no marks by which they could be identified. But Esq. Howe being of a different opinion, and feeling deeply interested in the welfare and comfort of his friend and neighbor, committed him to the hospitality of Sheriff Gray, and placed Constable Peters in charge of him, that he might reach his host in safety.

Cook of Centre, and Thos. Milligan, of Newport; for Secretary, Rev. Deitrick, of Loysville; Assistant Sec. David Mlekey, of Bloomfield; Treasurer, Hon. J. A. Baker, of Bloomfield. Delegates to the State S. S. Convention, to be held at Williamsport on the 11th of June, were appointed. Various questions of interest were discussed, and several addresses were made. The convention after a two days' session adjourned to meet at the call of the president.

**Cumberland County.**—We copy the following from the Cumberland county papers of last week:

The 6th Annual Convention of the Cumberland County Sabbath School Association will be held in the M. E. Church in the borough of Shippensburg on Thursday and Friday, May 30th and 31st, 1878.

John Hemminger, Esq., died at his residence on West South street, Carlisle, on Thursday of last week, and was buried on Saturday. He was one of the oldest citizens of our borough, being aged about 90 years.

In the early part of last Friday night a week, the boot and shoe store of David Smith, on East Main St., Mechanicsburg, was entered and boots and shoes to the amount of about twenty-five dollars taken therefrom. Entrance was made through the front door by means of a key made for the purpose.

A young man named Woods, son of Maj. Woods, experienced a run-off near the Stone Tavern, while on his return from the Doubling picnic, last week. His horse was frightened by a couple of dogs and ran, breaking the buggy to pieces. Fortunately he had discharged his lady previous to the accident.

One of our physicians who is in the habit of eating lemons suspiciously that some one was surreptitiously making way with his stock. So he loaded up a fat lemon with a dose of tartar emetic, and some time after discovered a youth in the nauseating stages of a sick stomach. The lemons are now safe.—Newville Star.

On Monday evening, as Mr. Timothy Holland was ascending the stairs of his residence, in Shippensburg, to retire, he was suddenly attacked with heart disease. He fell down to the foot of the stairs, where he was met by one of his sons. He was in his usual good health up to the moment of his attack. He did not breath after landing at the foot of the stairs. The deceased was about 60 years of age, and was highly respected.

On Friday evening last, Mr. Adam Wines, employed at Stock's brick yard, about one mile west of Mechanicsburg, received a severe cut on his instep while chopping wood in the yard shed. The accident was caused by the ax striking against the boards overhead, thus misdirecting the blow, and causing it to fall heavily on his foot, severing both boot and bone. Dr. L. P. O'Neale was summoned, who dressed the wound after having removed a part of the shattered bone.

A majority of the members of the House of Representatives at Harrisburg, under charge of Representative Means, took an excursion trip over the Cumberland Valley railroad last week, visiting Shippensburg and its attractions on Friday evening and Martinsburg on Saturday. On their return through this place Saturday, they conducted themselves simply as rowdies, and left here a worse impression of this portion of our law-making body than was prevalent before. With a total disregard for the rights of property, they invaded Mr. Westafer's yard at the railroad, almost destroying a cactus locust tree filled with beautiful red flowers. In fact, a party of roughs returning from a prize fight, would not have acted worse. For men of any class the conduct would have been censurable, but for a legislative body supposed to represent the people of a State like ours it was actually degrading.—Newville Enterprise.

**Junata County.**—We copy the following from the Junata county papers of last week.

Mr. John S. Graybill, of Mifflintown, represents Junata county on Republican State central committee.

Port Royal is sadly troubled with thieves. Several attempts at burglary have recently been made.

A young horse attached to a top-buggy,

in which were W. N. Sterrett and Geo. Soles, ran away when near the residence of the former in Milford township, a few days ago, and dashed itself, the buggy and occupants off the end of a pretty high bridge, severely bruising Messrs. Sterrett and Soles, and doing great damage to the buggy. How the occupants escaped death from the manner and place in which they were thrown out, is incomprehensible.

The family of Mr. Wm. A. Jordan, of Spruce Hill township, has been called upon to wade through deep waters of affliction and bereavement. A short time ago a daughter was removed by the ruthless hand of death. On Thursday of last week the wife and mother was laid away in the cold and silent tomb. On Monday of this week, another daughter was called from time to eternity. Mr. J. has the sympathy of his friends and neighbors in this time of his sore bereavement.—Port Royal Times.

On Saturday last a sad and fatal accident befel David Gingrich, Esq., of Callaway county, Mo., a brother of Mr. John Gingrich, of Walker township, this county. The circumstances surrounding the case are as follows: Mr. G. was engaged in building a barn on his farm, and while on the roof of the barn, at work, by a misstep, fell off, sustaining injuries that proved fatal in a few minutes after the accident befel him. Mr. Gingrich was a former resident of Mexico, this county, and removed to Missouri about ten years ago.

On Friday two tramps stole a pair of shoes owned by a small boy, and a parasol from the porch of John Horning's house on Patterson Avenue, and then passed out the road in the direction of McAlisterville. At Reno's they got something to eat. Meanwhile information was lodged against them, and an officer went in pursuit. They were overtaken a short distance on this side of Daniel Sieber's barn, and there arrested. They surrendered the shoes, but the parasol was not in their possession. A hearing was given them, and in default of bail they were sent to jail to await trial at the September term. They were lousy, and it became necessary to buy each of them a suit of new clothes.—Sentinel.

**FEELS YOUNG AGAIN.**

"My mother was afflicted a long time with Neuralgia and a dull, heavy, inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physician or medicine did her any good. Three months ago she began using Hop Bitters, with such good effect that she seems and feels young again, although over 70 years old.
