We invite communications from all persons who are interested in matters properly belonging to this department.

Suggestions to Honey Producers.

Turf, Field and Farm has the following suggestions to honey producers: Success in bee-keeping, as well as success in everything else, depends so much upon taking hold of it the right way, and sticking to it with a determination to success...

The Post Whittier calls it "a complete success." Acts upon the reader like a tonic. The editorial department is especially strong.—Boston Transcript.

THEY ALL WANT IT, BECAUSE IT IS A FAMILY NEWSPAPER.

THE N. Y. OBSERVER THE BEST FAMILY NEWSPAPER.

Publishes both the religious and secular news that is desired in any family, while all that is likely to do harm is shut out. It devotes four pages to religious news, and four to secular.

THE NEW YORK OBSERVER was first published in 1825, and it is believed to be the only instance of a Religious Newspaper continuing its even course for Fifty-six Years without a change of name, doctrine, intent, purpose, or pledge from the date of its birth.

THE 57 VOLUME will contain all the important news that can interest or instruct; so that any one who reads it will be thoroughly posted.

We do not run a benevolent institution, and we do not ask the support of charity. We propose to make the Best Newspaper that is published, and we propose to sell it cheaply as it can be afforded. Let those who want pure, sound, sensible, truthful reading, subscribe for it, and let them induce others to do the same.

JOAN THE MAID, by Mrs. CHARLES, author of "Chronicles of the Schonberg-Cotta Family."

We send no Premiums. We will send the NEW YORK OBSERVER one year, postpaid, for \$3 15. Any one sending with his own subscription the names of New subscribers shall have commission allowed in proportion to the number sent.

THE SUN FOR 1879.

THE SUN will be printed every day during the year to come. Its purpose and method will be the same as in the past. To present all the news in a readable shape, and to tell the truth to the best of our ability.

THE SUN has been, is, and will continue to be independent of every body and every thing save the truth and its own conscience. It is the only newspaper in this country which has never been bought or sold by any other American Journal.

THE SUN is the newspaper for the people. It is not for the rich man, nor for the poor man, but for the man of all interests in the community. It is not the organ of any party, class, or sect, but of the people.

THE SUN has fairly earned the hearty hatred of hypocrites, frauds, and scoundrels. It is the only newspaper that has not been less in the year 1878, than in 1877, or any year since. It will continue to shine to the glory of the truth.

While the lessons of the past should be constantly kept before the people, the Sun does not propose to make a record in its pages of the history of the country. It is printed for the men and women of to-day, whose concern is chiefly with the affairs of to-day. It has both the despatch and the story, the prompt and the prompt, the prompt, and most accurate intelligence whatever in the wide world is worth attention.

We have the means of making The Sun, as a political, literary and a general newspaper, more entertaining and more useful than ever before; and we mean to apply them freely.

Our subscription remain unchanged. For the Daily Sun, a four page sheet of twenty-eight columns, the price by mail, postpaid, is 55 cents a month or \$6.50 a year; or, including the Sunday paper, an eight-page sheet or fifty-six columns, the price is 65 cents a month, or \$7.76 a year, postage paid.
