

A Remarkable Conspiracy.

A Raleigh dispatch says: Mrs. Louisa Pierce, a white lady, was yesterday arrested near this city, brought here and lodged in jail on a warrant charging her with having murdered her two infant children by burning their bodies in the fireplace of her house.

On the 30th of May, Mrs. Pierce gave premature birth to twins. The children were born dead and were placed in a small box for burial, but before they were buried neighborhood gossip had charged that the twins were born alive and the mother had destroyed them by burning.

Yesterday a warrant was sworn out by a negro woman charging Mrs. Pierce with murder. A box was brought here by the officer making the arrest, which was supposed to have contained the bodies, but an examination by medical experts developed the fact that it contained the remains of a chicken.

Three of the conspirators — one negro man and two negro women — are now in jail, and it is believed that others are in the conspiracy and will be arrested.

Mrs. Pierce is a Northern woman, having moved here from New York several years ago, and married William E. Pierce, a citizen of this county of good standing and a graduate of distinction of Yale College.

She Served Him Right.

Norman Spencer stole \$17,500 from the Pennsylvania Oil Company, that employed him as bookkeeper, and fled to the southwest. The robbery was carefully planned, and the thief's intention was to take a new name, settle down as a planter, and marry the Titusville girl to whom he had long been engaged.

A Train Fired Into.

CINCINNATI, June 16.—A special dispatch to the Enquirer says, while the Indianapolis, Cincinnati and Lafayette train was enroute to Indianapolis last night, bearing the Maennerchor society, some scoundrel, near Indianapolis, fired into the train, the bullet striking the window casing, glancing therefrom and hitting Miss Frick in the head, inflicting a dangerous wound.

PHILADELPHIA, June 16.—A child named Albert Walter, aged one year, whose parents reside at No. 1413 Howard street, met with a singular accident yesterday, resulting this morning in death.

A Large Invoice of Chinese.

SAN FRANCISCO, June 16.—The steamship City of Tokio has arrived from Hong Kong, via Yokohama, bringing 1,020 Chinese passengers.

Jonas J. Rudy, probably the oldest letter carrier in the United States, died last week at Harrisburg, in his seventy-third year. He was appointed carrier at Harrisburg in 1833, and has held the position without intermission to the present time.
