

The Bloomfield Times. HOUSE, FARM AND GARDEN.

We invite communications from all persons who are interested in matters properly belonging to this department.

Systematic Housekeeping.

The housekeeper who has no business habits makes but a poor appearance beside one who has them. The latter has a fixed hour and day for every domestic duty...

About Boiling Eggs.

There is an objection to the common way of boiling eggs which people do not understand. It is this: The white under three minutes' rapid cooking, becomes tough and indigestible...

Heating Cans.

A lady writes as follows: "I've learned this summer that a good many intelligent, stirring housewives heat their cans before putting hot fruit in them to prevent breaking."

Sowing Oats and Wheat Together.

The experiment has been tried in Iowa of sowing in the Fall, upon one acre of land, two bushels of wheat mixed with one bushel of oats...

A farmer says: "Four years ago my farm was fearfully infested with rats. They were so numerous that I had great fears of my whole crop being destroyed by them after it was housed..."

Worthless Stuff!

Not so fast my friend; if you could see the strong, healthy, blooming men, women and children that have been raised from beds of sickness...
