Be shrewd and sell high, for on these two commandments hang all the law and the profits.

STA Miss Wheat, in Indiana, was threshed the other day by a man whose West-heart she had censed to be. 83"How He One Her" is the title of

a love story. We suppose he told his passion four her, truthfully two her.

W It doesn't do to look squint-eyed at a man with a pistol in Texas unless you prefer to look like a porus plaster.

53 A wag who had lent a minister a horse that had run away and thrown the clergyman, claimed credit for spreading the gospel.

Eg"Look heah, nig, now what you know "bout med'cine?" sald an unassuming darkey to a pompous buck who was expostulating on his skill as practicing physician. What I knows "bout med'cine?" he replied, "I knows all dah is 'bout med'cine. Jess as if I didn't took keer Doc. Yandall's hosses in Louisville fur foah yeahs!" This settled all further dispute.

By Don't let the butcher wrap your purchases in printed paper. A Rockland man bought a pound of steak and carried it home in a political paper. The meat became so infected with pure extract of lie that it had to be used to make soap with .- Rockland Courier.

Popping.

"I rather like this soda, after all," said John Henry to Julia, as he drew his nose out of the tumbler and wip:d the froth off.

"Soda I," said Julia, " but I like bottled soda water best; it is soda-lightful. "Why, sodear?" said John Henry.

"Because," explained the charmer.

"instead of being only a fizzle, it pops so nicely." Henry took the hint, and that evening he popped-the question. No fiz-

zle about him. A "Good 'Un" From A Lady.

As I was passing along Fourth Street, the other day, I happened to meet a lady friend who had just returned from the country, and into the city. I noticed that her face was bronzed by the sun a little, but none the worse for her bright and good looks. Her name was Catharine, and for beauty and sweetness I used to call her "Kate." " Why, Kate," says I, " you have been so long in the country that you begin to look a little brown, as if you had been some-

"Yes, that's a fact," said she. have really been so long in the country. I have been rusticating so much that I much fear that you will have to look upon me for a while, at least, as rusty-

Kate!" "So, you predi-eate!" (pretty Kate) said I, and she smiled at first, and then laughed outright and said: "I don't prevari-Kate, though."-Cincinnati Sat-

urday Night. How He "Livened It Up."

There was a compositor not only

discharged from the San Jose (Cal.) Herald the other day, but also fired down four flights of stairs by the infurlated foreman of that admirable journal. It seems that the typo was requested to "liven up" a certain speech delivered at the Workingmen's State Convention, held at that town, with the usual marks in parenthesis. The "jour" who was carrying a little more beer than was necessary, just then got hold of the wrong proceeding causing the eloquent resolution of Mr. Van Arman, referring to the death of a member, to read something like this: "Whereas, It pleased Divine Providence to remove from our midst our beloved comrade Azariah McMuck (loud applause), who has been cut off in the flower of his usefulness (laughter) and promise, it is Resolved, that we tender to his bereaved family (cheers) and friends our sincere -ympathy in their hour of affliction (cross of 'Put him out,' and 'order') and assure them that while we humbly bow to the will of (a voice, 'Three cheers for Kearney') Heaven, lament our departed brother (roars of laughter), a fellow citizen of enlightened mind, statesman-like views (cries of 'Oh! shut up! Let's adjourn !') and broad and generous sympathy for his kind. (Terrific cheers.) He is not lost. but gone before (derisive cries 'Oh! cheese it, and continued laughter') etc. In fact, the McMuck widow is hunting for that unfortunate printer yet, and cherishes the conviction that he is still hiding in the hills.
