As we go to press court is in session, and the indolent chaps are happy.—They have a loafing place, and can beg tobacco from those who don't know them.

The thermometer registered 22 degrees above zero at this place on Saturday at 7 a. m. On Friday we had several snow squalls, one of which whitened the roofs.

Isaac Walter, aged about 10 years son of Jacob Walter of Centre township, Snyder Co., on last Wednesday morning went to the break-fast table and whilst eating got something in his throat and was immediately strangled to death. He had been a victim of the epidemic which prevailed in this vicinity a short time ago which in nearly all cases left an affection in the throat.—Middlebury Post.

The Carlisle "Volunteer" says: There is a darkey in the Third ward who has a sow and eight very small pigs. The mother of the pigs was taken very sick the other day, and the pigs had to be fed. The darkey tried to feed them with a spoon but failed. He now nourishes them with a bottle, filled with milk, and over the top of which he has placed a gum nipple. What a time that darkey must have!

The robbery was committed two years' since.

A Good Walker.—Mr. David Taylor, of Mt. Holly Springs, Cumberland co., Pa., has accomplished a feat which is worthy of commendation and shows considerable nerve and perseverance. He received employment in the Reading ore banks on June 9th last, and has worked ten hours every day (Sundays and bad days excepted) since that time, walking to and from the mines morning and evening, a distance of ten miles, over a rough and unbroken road. Since he commenced work he has walked 1050 miles. There are few men who can excel Mr. Taylor's task, working hard ten hours and walking ten miles every day.—Echo.

Temperance Convention.—On Tuesday last the Temperance Convention of this county met at Landsburg. Eighty-nine delegates from the various districts of the county answering to the roll call during the morning session. Over one hundred delegates were in fact present, many alternates being present to supply any absence on the part of their principals. In addition to this large body of delegates the people of Landsburg and visitors to the convention filled the Presbyterian church in which the meeting was held during all the session, and for visitors and delegates, the people of Landsburg and vicinity had prepared a generous hospitality. The morning session was occupied mainly in organization, the afternoon session mainly in the formation, discussion and adoption of resolutions on the subject in hand, and the evening session in speeches. We give below three of the resolutions adopted by this Convention of the Temperance Association of Perry Co., Pa., as follows:

1st. That we hold it as our right in any year and every year we deem it expedient, to nominate State, county, or other officers for the purpose of furthering the aims we have in hand.

2nd. That while presenting the names of the State Temperance ticket to Temperance men who desire so to vote at this time we deem it inexpedient to nominate any County ticket for the present year.

3rd. We however advise Temperance men to strike from various party tickets the names of all men known to seek votes through the influence of liquor, and who in this way encourage and create drinking habits among voters. We deem it better to cast a blank for such office, or, without hope of electing, to insert the name of any reliable citizen than to place in office men who win their way by the use of liquor.

Junata County.—We copy the following from the Junata county papers of last week.

On Saturday night last, the large barn, on the farm of Abraham Noss, near McCoytown in Tuscarora twp., was destroyed by fire, together with his crop of oats, hay, and some harness. His wheat had been threshed out and hauled to market. Supposed to have been the work of an incendiary.

About one o'clock, on Sunday last, the stone dwelling house, on the Frank-houser farm in Beale twp., was destroyed by fire. The fire originated from the stove-pipe taking fire. The house was

occupied by Wm. Stewart. The household goods were saved.

Several families from Fayette twp., left for Kansas on Monday morning.

Workmen are now engaged in repairing the interior of the old Presbyterian church.—Democrat & Register.

Cumberland County.—We copy the following from the Cumberland papers of last week:

The Indians which Captain Pratt is bringing to Carlisle this week are principally Cheyenne and Arapahoe boys.

On Wednesday, Kane Haglerod, in company with James Winters, of Shippsburg were out shooting. Winters discharging his gun at some game, the shot glanced off and struck Haglerod in the face, inflicting sore but not serious wounds.

On the same day, James Barcklow, residing near Mainsville, was also out gunning, and whilst passing through a clump of bushes, was shot in the face by some parties unknown. Although his physiognomy is badly pitted with shot, no serious damage was done.

No for Turkey.—The ladies of the Bloomfield Presbyterian church desire all citizens of the town, and all visitors during court-week, to notice that they will furnish during that week, beginning on Monday evening, dinners and suppers of turkey, chicken, beef, coffee, &c., with oysters and ice-cream extra for all who may desire. Try them once and you will come each day. The church basement, corner of High and Carlisle sts., and opposite the courthouse, is the place. Bring your frau and all the little ones; and, if you have no frau, bring her whom you expect to be yours.

To the Independent Democratic Voters of Perry Co.—Having been solicited by a number of my personal friends to offer my name as an independent Democratic candidate for the office of Jury Commissioner, I have consented to offer myself as a candidate for said office and most respectfully ask your support. If elected, I will endeavor to perform the duties of Jury Commissioner with fidelity, and to the best of my ability. WM. KANE. Spring twp., Sep. 29, 1879.

Library of Universal Knowledge.

Volume two of this very excellent, and from an economical point of view, extraordinary work, is issued October 25th. Its 730 neatly printed and well bound pages contain a wealth of knowledge, covered by the alphabet between the words Arrudel and Biron, such as, it is safe to say, was never before procurable for the trifling sum of 50 cents! The 30 vols. complete, containing over 40,000 distinct articles, and nearly as many more incidentally mentioned subjects, with complete index, are sufficient of themselves to afford a liberal education to any of limited resources. As a matter of course, they are finding their way into the hands of hundreds of thousands of those whose love of knowledge has exceeded their power to buy it at the great prices charged for Cyclopedias heretofore published in this country, none of which equal this in the amount of matter given. Volume three will be ready early in November, and the remaining volumes will appear about two each month thereafter. The publishers will send a specimen volume, which may be returned if not wanted, to any part of the United States, for the price, in cloth, 50 cents, half morocco, 75 cents, or on extra fine heavy paper, wide margins, bound in half Russia, gilt top, for \$1.00. Their catalogue of standard publications will be sent free on request. AMERICAN BOOK EXCHANGER, Publishers, 55 Beekman street, New York.
