Tuesday's Elections.

The result of the elections on Tuesday last may be thus summed up: In PENNSYLVANIA The Republican State Ticket was elected by over 53,000 majority.

NEW YORK

Elects Cornell, Republican, for Governor; Potter, Democrat, for Lieutenant Governor, and elects a Legislature and that is Republican.

MASSACHUSETTS

Declines to have Butler for Governor, and elects Long, Republican, by a majority of about 3,000.

MARYLAND

In Democratic by a majority supposed to be not less than 17,000.

MISSISSIPPI

Elects the straight Democratic State ticket in most of the counties, though the Greenbackers carried several counties. There was no Republican ticket placed in nomination, except in Vicksburg.

MINNESOTA

Elects Pillsbury, Republican, for Governor, by 12,000 and the balance of the Republican State ticket by nearly 14,000.

WISCONSIN

Elects a Republican Governor and other State officers by about 20,000 majority.

NEBRASKA

Elects Cobb, Republican, to the Supreme bench by about 15,000 majority, and elects the other Republican candidates. Among the curiosities of this election is the fact that Cumberland county elects a Republican Sheriff, while Juniata county, from a split in the Democratic party, does the same thing.

Talking Two Thousand Miles Apart.

Mr. Robert A. Parker, Superintendent Pennsylvania and New York Railroad, is at present hunting with a party in the vicinity of North Bend, in Nebraska. Yesterday he for two hours conversed pleasantly with his wife and friends at Sayre, his brother at Mauch Chunk and friends along the line.

Henry Lynn, residing near Littleton, Adams county, while endeavoring to extricate a pig that had become fast in the fence, was attacked by a number of hogs that had become enraged on account of the squealing of the pigs, and a number of gashes were torn in his person, as well as some bones broken in one of his hands, and he would doubtless have been killed by the infuriated animals had not the women of the house driven them off by pouring scalding water over them, after having ineffectually tried to do so with clubs.

A foolish Man.

A young man named Lester Bartlett, bearing a good name sold out his business at Randolph, N. Y., and then claimed to have been robbed. Suspicion resting upon him, he was searched Tuesday evening, and the money was found in his possession. He then shot himself through the head and died soon after.

CINCINNATI, October 28.—At Hammex, Ohio, last night Isaac Muncy, colored was shot through the heart by a man named Snodgrass at a house of ill fame. Both men were intoxicated and began quarreling over a trifling matter, with the result above stated.

A colored man killed a white man with a bludgeon in an election difficulty in Anne Arundel county, Md., Tuesday.

"THE WEEKLY PRESS" FOR 1880.

NEW ATTRACTIONS.

A PENNSYLVANIA SERIAL STORY.

PRICE REDUCED TO \$1.25 For Single Copy, OR \$100 IN CLUBS OF TEN OR MORE.

(Including Prepaid Postage.)

In order to place THE WEEKLY PRESS within the reach of the Republican voters of the State the price has been reduced to One Dollar and Twenty-Five Cents for the year, by the single copy, or to One Dollar for the year, by clubs.

The Press is thoroughly devoted to the principles of the Republican party, and maintains the Republican organization because it believes that the prosperity and progress of the people cannot be safely entrusted to any other existing political organization. During the year 1880, the most stupendous political contest of this epoch will take place. Upon its issue will depend the political destiny of the country for many years.

The Press steadily resists the aims of the "Solid South," which is now organized to capture the Executive, to retain Congress, to remodel and control the Supreme Court, and to subordinate every public interest to the overmastering purpose of controlling the policy of the Nation, and thereby gaining by legislation and peaceful means what it lost on the field. The Press enforces the duty of enforcing in full force the Constitutional Amendments made to secure the fruits of the war; upholds the right of every lawful voter to a free and unobstructed exercise of his right; inflexibly insists upon an honest return of the votes cast; justifies the use of all necessary means to prevent fraudulent voting and fraudulent return of votes; accepts as fundamental the equal right of every citizen to the adequate protection by the law of his political as well as his civil rights; maintains as wise the Republican policy of Resumption and honest financial legislation; defends as sound the Protection to American Industry; and, in general, follows whithersoever the Republican principle leads.

SPECIAL MEASURES have been adopted to strengthen the Paper in all its departments. THE EDITORIAL DEPARTMENT will be in the hands of able and experienced writers, and the range of subjects discussed will be as wide as in any other first-class newspaper in the Union.

THE LITERARY, THE AGRICULTURAL, THE FAMILY AND THE CHILDREN'S DEPARTMENTS will remain in charge of experienced and capable editors; and the Market Reports will be full and accurate.

CLOSE ATTENTION will be given to the State News of Pennsylvania, New Jersey and Delaware.

FOREIGN CORRESPONDENCE will include letters from Europe and all portions of the World.

A SPECIAL FEATURE of 'The Weekly Press' will be a Serial Story in illustration of Frontier Life in Central Pennsylvania, prior to, and during the Revolutionary War, in which John Brady and his sons John and Samuel, and other Border celebrities will be prominently introduced. This story will be written by Mr. Charles McKnight, author of "Our Western Border," "Old Fort Duquesne," and "Simon Girty," and will be begun about the middle of November.

Special terms will be made with canvassers. Specimen copies sent free on application. Parties sending \$1.25 will be entitled to receive the paper from date till January 1, 1881.
