HOUSE, FARM AND GARDEN.

Halter Pulling.

The idea has been advanced that halter pulling is the result of the horse having sometime been hurt when hitched, and, fearing repetition, tries to get away from any imaginary evil.

Model Fifteen Acre Berks Farm.

Mr. Elias Reigel, of Spring township, who formerly resided on Bushong's farm in the same township, but at present cultivates a farm of fifteen acres which he purchased, has furnished an interesting statement of the operations of his farm for ending Jan. 31, 1880.

Pie Crust Glaze.

To prevent the juice soaking through into the crust and making it soggy, wet the crust with a beaten egg just before you put in the pie mixture.

To clean wall paper, take about two quarts of wheat bran, tie it in a bundle of coarse flannel, and rub it over nicely.

There is a greenness in onions and potatoes that makes them hard to digest. For health's sake put them in warm water for an hour before cooking.

A few flaxseed planted in each hill of potatoes is said to be a sure remedy against potato bugs.

Given up by Doctors.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?" "I assure you it is true that he is entirely cured, and with nothing but Hop Bitters; and only ten days ago his doctors gave him up and said he must die!"

CHURCH & CO'S SODA SALERATUS

Impure Saleratus or Bi-Carb Soda (which is the same thing) is of a slightly dirty white color. It may appear white when examined by itself.

A similar but severe test of the comparative value of different brands of Soda or Saleratus is to dissolve a dessert spoonful of each kind with about a pint of water (not preferred) in clear glasses.

Be sure and ask for Church & Co's Soda and Saleratus and see that their name is on the package and you will get the purest and whitest made.
