A Juniata Man Strikes a Bonanza.-Beveral years ago a young man named Boyer Ailman, left his home in Juniata Co., to seek his fortune in the far west. The mining excitement induced him to go to New Mexico, where after prospecting for some time, he became the owner of a silver mine. His brother Prof. J. T. Ailman, of Airy View Academy, received a letter from him the other day, stating that he had sold his mine to New York capitalists for the handsome sum of one hundred and sixty thousand dollars. Prof. Allman intends to leave for New Mexico this week, where he will join his bonanza brother. Mr. Allman's good fortune surpasses any Leadville romance that we have heard of yet.

Was He Mardered ?- On Saturday night a week, the body of an unknown man was found in the Hudson river, New York. From a card from on his person it was ascertained that his name was Jacob Sheaffer, of Churchtown. A telegram was then sent to his brother, Benjamin Sheaffer, at Bethlehem, this State. The deceased had been engaged in putting up telegraph wire, was paid on Friday, worked on Saturday, and about 9 o'clock that night, his body was found as above stated. When found all his money and watch were missing, and the mark of a club was visible on his forehead. Further than these facts we could learn nothing that would tend to throw light as to the death of Sheaffer. But we have no doubt that the circumstances developed will indicate the suspicion of foul play. The body was brought to Churchtown, Friday morning, and interred in the evening. His age was about 24 years.

Perry County Temperance Society .-- On Saturday, May est, the Executive Committee of the Christian Temperance Association of Perry County, met in the Court house, in Bloomfield. The meeting was opened by prayer by Rev. J. J. Hamilton, after which an organization was affected by electing Mr. Samuel Liggett, Chairman, and D. Mickey, Secretary. The roll of the Committee for 1880 was called.

Besides the Committee, there were present the President, Vice President and Treasurer of the Association, and several clergymen. M. B. Eshleman read the following report:

At the time of the Convention in the fall, there were, in existence in the county, only aye Unions. Since that time there have been organizations effected in Hunters, Buck's and organizations effected in Hunters, Back's and Wild Cat Valleys, at Grubb's church, Milford, Marysville, Keystone, Dellville, Losh's Run, Pine Grove, Mt. Fairvlew, Donnally's Milla, Eshcol and Elliottsburg-14. Most of them have prospered and done much good. We prosecuted one case of breach of the liquor law, but on account of the perjury of witnesses, we lost it showing once more how nearly we lost it, showing once more how nearly we lost 41, showing once more how nearly impossible it is to punish the offenders. We remonstrated against the granting of licenees with great vigor, and with some success. Friends of the good cause, feel thankful that we have made some headway, and silthough we have to work hard for all we gain, the time is coming when the victory will be ours. The report was accepted. Dr. Wm. Hayes, Treasurer, made a report, and some subscriptions were paid in to the prosecution funds. The Secretary then offered the following resolution :

until they reached five dollars per ton, at which they now stand. The strike last March was for an advance of one. dollar per ton, but the object was not gained and the puddlers resumed work. About two week ago the mill owners posted notices in all the establishments informing the men that on the 15th of this month they would be compelled to reduce wages to four dollars and fifty cents per ton on account of the depreciation in the value of iron. The mill owners claim that they have been greatly affected by the collapse in the iron boom and assert that it may be necessary to reduce wages still further at no very distant period, unless a reaction takes place. The puddlers so far as can be ascertained have as yet held no general meeting, but it is understood that great dissatisfaction exists on account of the reduction. The question now is, will the puddlers resume work on Monday, after the reduction of fifty cents per ton which will take effect to-morrow, or will there be a general strike. The same reduction will be made at Duncannon and in all the mills along the Juniata river. In case there is a strike the Harrisburg mills will not be compelled to suspend operations as they have a large amount of puddled iron on hand.-Harrisburg Patriot.

Cumberland County .- We copy the following from the Cumberland papers of last week :

A number of old railroad ties were placed across the C. V. R. R. track, a short distance east of Newville, on Friday last, by some evil disposed person. The engineer of one of the freight trains made the discovery in time to prevent an accident.

On Monday evening, James Hannon was arrested in Shippensburg, on a charge of incendiarism. A colored man named John Rideout states that on last Saturday evening Hannon and he were drinking together and that Hannon told drinking together and that Hannon told him that it was he that had set fire to the stables of Mr. James Reeder, John Smith and others, and that he was go-ing to do it again and wanted him to go in with him. Rideout made informa-tion against Hannon. Hannon was brought to Carlisle on Tuesday and put in jail.

Juniata County .- We copy the following from the Juniata county papers of last week :

An infant child of Mr. Wm. Banks, of Fermanagh township, died very sud-denly on Monday of this week. It was about 10 months old.

One day last week, as a son of Judge Burchfield, was crossing the bridge at Hawn's mill, the horse fell through the bridge and was seriously injured.

Last Thursday a daughter of Samuel Rollman fell off an abutment, built in Schweier's meadow, by the so-called S. & N. B. R. R. Co. The child fell into the stream and hurt an arm quite severely.

Unknown to Thomas U. Parker, auctioneer, a Centre county man stole money from him several months ago, but within the past few weeks the thief became conscience-smitten and returned the money to Mr. Parker.

Two little boys set fire to the straw manure pile at the stable of Frederick Espenschade in this borough last Thursday afternoon. Mrs. Benjamin Akley, saw the smoke and fire and raised the alarm. Samuel Rollman was the first man to arrive at the fire. Others apman to arrive at the lift by vigorous peared upon the scene, and by vigorous the fire was put out. The fence work the fire was put out. The fence was somewhat damaged. It was a timely discovery ; a minute longer and the fire would have reached the straw and hay in the stable adjoining, and as a high wind prevailed at the time, it is probable that all houses east of the fire would have been burned down.

# MUSICAL.

GOOD NIGHT, GENTLE-FOLKS, is the title of a new quartette, by Will L. Thompson, author of the famous quartette "Come Where the Lilies Bloom." Concert and Minatrel troupes pronounce it the most beautiful piece of music ever put on their programmes. It never fails to receive a hearty encore. The demand is such that it is scarcely possible to keep it in print. Music dealers write that they never knew a quartette to sell so fast. We advise lovers of music to send the price, bo cents, to the publishers, and receive a copy by return mail. Published by W. L. THOMPSON & CO., East Liverbool, Ohio. GOOD NIGHT, GENTLE-FOLKS, is the
