The Borough School Building in this place is being re-painted.

The Record says there is a good deal of sickness in and around Duncannon.

We are sorry to learn that Mr. Singleton Sheaffer was so unfortunate as to lose another horse by death, last week.

The Academy in this place, opened its Fall Term last week. It is an institution that deserves a good patronage.

Chas. H. Smiley, Esq., of this borough, will deliver the address at the Soldiers' Re-Union, at Millintown, on the 23d inst.

Mr. Jacob Mounts, wishes to state to his friends that he will be around in about three weeks. He has been detained by sickness.

Several parties complain of losing poultry and small articles from their premises recently. Shot gun injections are good to apply in such cases.

Mr. Stephen Boyer, a former resident of this borough, but now of Logansport, Indiana, is at present visiting his friends in this community, in company with his wife and family.

Calvin Neilson, Esq., and Miss Laura Halbert were married at the residence of Dr. Strickler, in this borough, on Thursday last, and immediately started on their wedding tour.

A Village Camp Meeting will be held at New Buffalo, under the direction of the M. E. Church, T. M. Griffith, pastor. The meeting will commence on Thursday, September 16th, at 10½ A. M., and last one week.

Mr. A. M. Gantt, of Newport, desires the statement made that he is not the man from that place who has announced that he is going to vote for Hancock although formerly a Republican, as some suppose.

Wednesday morning the family of Mr. Harry Sheaffer, of this place, found themselves without bread, though a good supply was put in the cellar the night previous. Some thief had visited the premises much to the disgust of Harry. These cases are getting too frequent.

About midnight, on Wednesday a week, Mrs. Straubach, of Marysville, was awakened by hearing some person moving around, and looking out in the hall saw a man, who cautioned her to keep away. She obeyed but called her husband, but by the time he arrived the man had gone.

Two large lights of glass were broken in the rear window of THE TIMES composing room on Wednesday morning at about four o'clock. The noise consider-

ably alarmed persons sleeping near. Whether the act was done by some person who wished to enter the premises or from pure "cussedness" is a question that will probably never be satisfactorily answered.

A Sad Accident.—On Tuesday last, Frank, a 12-year old son of Mr. William McClure of Green Park, accompanied his brother with a load of lumber to Newport. When near the residence of Mr. Everhart, the lad in drawing the lock in some way slipped and fell so that the hind wheel passed over his thigh, badly breaking the bones there and fracturing one of the bones at the ankle. The lad was taken into Mr. Everhart's, and Dr. Orris, of Newport, was called in, and his father notified by telegraph to Bloomfield and then by messenger.—The injuries of the lad were attended to and late in the afternoon he was brought carefully to the residence of Mrs. Gottwalt in this borough. The doctor thinks the boy will no doubt recover, though he will require some weeks of careful nursing.

At this time the lad is getting along as well as could be expected.

Juniata County.—We copy the following from the Juniata county papers of last week:

One boy hurt another boy, accidentally, quite badly, in Patterson, the other day, with a sling. It was a ball shot that was thrown out of the sling.

Andrew Allison, aged about eight years, son of Wm. M. Allison, was stung by an insect, on one of his toes, one day last week, while in a field of grass, and he was sick from the effect for several days.

On Friday last Mrs. John Farleman, on going to the pantry discovered a large snake lying there, she sent over to the mine of W. E. Nankivel, which is not far distant for some one to come and kill it, Mr. Nankivel went over and shot it and it proved to be a very large rattlesnake.

A serious accident befell Mr. Joseph Brindle, of Patterson, on Friday afternoon of last week. He was engaged at work on the roof of the new house now in the course of completion for Mr. Elias Horning, in Fermanagh township, Mr. B. having the contract for building the same. He stepped on a projecting roofing lath which had been spliced, and proving insecure, it broke and he fell to the roof of the porch, a distance of eight feet and from thence to the ground, fifteen feet further, alighting on his head and shoulder. Dr. Crawford was summoned, but Mr. Brindle was too badly injured at the time for the doctor to make a close examination.—The attending physician thinks that no bones are broken and no blood-vessels ruptured. Mr. Brindle has not recovered sufficiently to be removed to his home, but his condition is improving.—Port Royal Times.

Cumberland County.—We copy the following from the Cumberland papers of last week:

On Friday last, as Peter Leightner was attempting to get on his train, at Newville, he made a misstep. The wheel passed diagonally across his foot, mashing it in a horrible manner. He was brought home on an extra train, and was carried from market street, to his residence in Chambersburg on a stretcher. Physicians were in attendance and amputated the foot just above the ankle.

On Wednesday of this week Mr. Simon Minich met with a very sad accident while threshing for Mr. Samuel Walters on the farm of Mr. J. B. Rohrer in North Middleton township. His thumb and index finger were caught in the wheels which drives the fan and crushed in a horrible manner. Medical aid was at once sent for and the wounded member dressed. Mr. M. yet suffers great pain.

On Tuesday, a young man named Haines, living on the South side, whilst gunning with his father along the creek north of Plainfield, met with an accident which may prove fatal. Whilst in the act of discharging the gun the breech-pin flew out and penetrated the young man's forehead. Mr. Geo. Mower conveyed the injured man to the office of Dr. J. E. Van Camp, at Plainfield, who attended to his injuries.

On Saturday evening the wife of Prof. Miller put her two little daughters to bed in their usual health about eight o'clock. When the parents went up stairs between nine and ten o'clock, Sadie, the eldest of the two, about five years of age was found working in convulsions. Dr. Dale, the family physician, was summoned and did all in his power to relieve the little sufferer, but death put an end to her sufferings between two and three o'clock on Sunday morning. The distressed parents have the sympathy of our citizens in their sudden bereavement.—Carlisle Herald.
