FIRE INSURANCE.

To the Farmers and Mechanics of Perry County

We hereby call your attention to the claims of The Farmers' and Mechanics' Mutual Fire Insurance Co., of Perry County,

as offering you good and safe insurance at Net Cost.

This Company, organized and chartered in 1872, has issued over 1400 policies, and has now over \$1,000,000 of property insured; has paid losses since its organization to the amount of \$2,702,244; has laid but one assessment, of 13 cents on the dollar, since its organization, netting the Company the sum of \$1,233,588, which, with the premiums on policies issued, has paid all its current expenses and losses from fire. The rates charged by the Company are but from \$1.50 to \$3.00 per thousand dollars of valuation for five years, and no charges for Survey and Policy, as other Companies make. We claim that it offers to the Farmers and Mechanics of Perry county advantages over all other Companies for the following among other reasons:

It is a home Company. It insures only in Perry county. It pays no large salaries to Officers. It pays no dividends to Stockholders. It pays its losses promptly and honorably. It insures at lower rates than any Stock Company can.

It insures no borough property, steam establishment or foundry. It makes no assessments unless actually needed to pay losses by fires.

Its Officers are your neighbors whom you know, and are chosen by the insured from their own number.
