## KENDALL'S SPAVIN CURE!

THE MOST SUCCESSFUL REMEDY EVER  
discovered, as it is certain in its effects and does  
not blister. Read Proof Below.

From Rev. N. P. Granger,

Presiding Elder of the St. Albans District.

St. Albans, Vt., Jan. 20th, 1880.

DR. J. R. KENDALL & CO., Gents:—In reply to  
your letter I will say that my experience with  
Kendall's Spavin Cure has been very satisfactory  
indeed. Three or four years ago I procured a bot-  
tle of your agent, and with it, cured a horse of  
lameness caused by Spavin. Last season my  
horse became very lame and I turned him out for  
a few weeks when he became better, but when I  
put him on the road he grew worse, when I dis-  
covered that a ring-bone was forming, I procured  
a bottle of Kendall's Spavin Cure, and with less  
than a bottle cured him so that he is not lame,  
neither can the bunch get on him.

Respectfully yours,

P. N. GRANGER.

## Perseverance Will Tell!

Stoughton, Mass., March 10th, 1880.  
B. J. Kendall & Co., Gents:—In justice to you  
and myself, I think I ought to let you know that  
I have removed TWO BONE SPAVINS with Ken-  
dall's Spavin Cure. One very large one; don't  
know how long the Spavin had been there. I  
have owned the horse eight months. It took me  
four months to take the large one off, and two  
months for the small one. I have used 10 bottles.  
The horse is entirely well, not at all stiff, and no  
bunch to be seen or felt. This is a wonderful  
medicine. It is a new thing here, but if it does  
for all what it has done for me its sale will be very  
great.

Respectfully yours,

CHAS. E. PARKER.

Is sure in effects, mild in its action as it does  
not blister, and yet is penetrating and powerful to  
reach any deep seated pain or to remove any  
bony growth or any other enlargement, if used  
for several days, such as sprains, splints, curbs,  
callosities, swellings, any lameness and all  
enlargements of the joints or limbs, or rheuma-  
tism in man and for any purpose for which a lin-  
iment for man or beast. It is now known to be  
the best liniment for man ever used, acting mild  
and yet certain in its effects. It is used full  
strength with perfect safety at all seasons of the  
year.Send address for Illustrated Circular, which we  
think gives positive proof of its virtues. No  
remedy has ever met with such unqualified suc-  
cess, to our knowledge, for beast as well as man.  
Price \$1. per bottle, or Six bottles for \$5. All Drug-  
gists have it or can get it for you, or it will be sent  
to any address on receipt of price by the prop-  
rietary.

DR. B. J. KENDALL &amp; CO.,

Enosburg Falls, Vermont.

"Kendall's Spavin Cure" is now sold by all the  
leading wholesale druggists and a large number  
of prominent retail druggists.F. MORTIMER, New Bloomfield, agent for  
Perry Co., Pa.

HALBERT E. PAINE,  
Late Commissioner of Patents.

## PATENTS.

PAINE, GRAFTON & LADD,  
Attorneys-at-Law and Solicitors of American  
and Foreign Patents.No. 412 Fifth Street,  
Washington, D. C.Practice Patent Law in all its branches in the  
Patent Office, and in the Supreme and Circuit  
Courts of the United States. Pamphlets sent free  
on receipt of stamp for postage. 35A rural citizen wrote thus to the  
wife of a sick brother: "If Jamie isn't  
dead yet, remind him of the twenty  
shillings he owes me on the pigs, and if  
he is, tell him not to give himself any  
concern about it whatever."Magistrate to witness with band  
aged head: "Did he have any provoca-  
tion when he struck you?""He may have had something of the  
kind concealed on his person, but it was  
a brick he struck me with," said the  
witness."Hellow! Uncle Mose, hellow!"  
cried Jim Webster, as he hurried down  
Austin avenue, trying to overtake the  
old man. "Be keeful, Jeames, be keef-  
ful how you undress yo'self to me; I  
ain't no telephone," replied the indig-  
nant deacon."My dear, you must be more cir-  
cumspect if you would ever get a hus-  
band," said Mrs. Marrowfat to Julia,  
who had gone out driving with young  
Mr. Sluggins and not returned until  
after dark. Little Aristides Marrowfat  
overheard the observation, and the next  
day when the young man was going up  
the front stoop he called out to him  
from the areaway:

"Hellow, Mr. Sluggins."

"Well, Tidy, what is it?" cheerfully  
responded Mr. Sluggins, leaning over  
the railing and glancing at the boy with  
the affectionate pride of a possible broth-  
er-in-law."Nothing much; only ma says if you  
want to marry Jule you must be more  
circumspected."A poor appetite: A rather seedy-look-  
ing customer came into the restaurant on  
Austin avenue and said to the proprietor:  
"What do you ask for nicely-cooked  
beefsteak well done, with onions?"

"Twenty-five cents."

"And the gravy?"

"Oh, we don't charge anything for the  
gravy.""You don't! That's liberal. How  
much do you charge for the bread?"

"We throw in the bread."

"Is it good bread?"

"It is."

"So you throw in the bread and gra-  
vy?"

"Certainly"

"Then bring me some bread and  
gravy. It's not healthy to eat meat in  
summer."

## Making a Great Fuss.

Two Dutch farmers of Kinderhook,  
whose farms were adjacent, were out in  
their respective fields, when one over-  
heard an unusual hallooing in the di-  
rection of a gap in a high stone wall, and  
ran with all speed to the spot, and the  
following brief conversation ensued:

"Shon, vat ish te matter?"

"Vell, den," says John, "I vash  
trying to climb on top of dish high stone  
wall, and I fell off and all de stone wall  
tumble down on me and it hash broke  
one of my legs off, and both my arms  
off, and smashed my ribs in, and dese  
pig stones are lying onto te top of mine  
body.""Ish dat all?" says the other, "vy  
you holler so big loud I tot you got te  
toof-ache."

## Irish Measure.

"I want a piece ov a board sawed off,  
planed on the outside," said Mr. Don-  
levy; "we'd a few friends in at the  
house last night to a christenin', and the  
lower panel av the dure got kicked out  
durin' the meriment.""How wide do you want the piece cut,  
sir?" asked the carpenter."The width av the dure, av course,"  
replied Mr. Donlevy.

"And how wide is the door?"

"Well, it's as wide as a chair is long,  
jist. Ye kin jist lay a chair across it to  
kape the childer in an' the pigs out, an'  
it fits as though it wor matched fur it."

"But all chairs are not the same size,"

said the carpenter.

"Aw, thunder and turf! yer thicker  
headed nor a railroad spike! The chair  
comes up jist even wid the edge av the  
windy sill.""But how high is the window sill?"  
asked Mr. Chips."Bother the badgerin' tongue o' ye,"  
growled Mr. Donlevy, "it's only the  
widness av me hand, barrin' the thumb,  
higher than the rain wather barrel that  
stands outside, and av ye's can't make it  
from that ye lave the job an' I'll take it to  
some carpinther that understands his  
business an' knows the measure av a  
dure in his head widout makin' a chaty-  
chasm av himself. Say can ye cut me a  
piece av the sizs av that ye leathered-  
headed wood butcher, ye, or will I go  
find a man av your craft that has half  
the sinse ye wur born wid?"
