Days of Our Lives

Victor was shocked to see Justin and Adrienne had worked out their problems and asked Justin if he was sure he still wanted Adrienne even after what happened with Emilio. Justin told him he's never been happier. Victor grabbed Adrienne's arm and told her to let Justin go and Justin stood in the doorway and told Victor he didn't want her to let him go. He told Victor he took pride in his recovery because of her. Later Justin and Adrienne packed their bags to get away from Victor. At the community center, Jennifer introduced Emilio to an orthopedic surgeon for his hurt knee. Emilio got furious with her and said his only problem is putting up with her. Later he forgave her and said he had been to too many doctors and none could do anything about his knee. He also said he loved dancing til he smashed his knee but didn't say how. They began dancing slowly and ended up in a passionate embrace. Roman informed his mom that he and Diana would get married officially around Valentine's Day as soon as they file papers. Caroline was thrilled and said she would help in the preparations. Diana became upset when her mother wouldn't cancel her skiing trip to see her walk down the aisle.

Another World

While Marley was telling Vicki of how a baby is a strong bond between two people, Vicki was thinking about the night her and Jake made love. While they were talking Lisa stopped by. After Marley left Lisa apologized to Vicki for fighting with her and said she could see how much Jamie loved her and the baby. Lisa also said that they belonged together. Josie strutted her stuff in the Miss Sunshine contest and won \$50 to pay her debt to Ada. She met Matthew at the contest and they went to her house. At her house she told Matthew not to stop and said she wanted to go further with him. Later, while in a compromising position, Charlene walked in on the half-naked couple. She flipped out and called Josie a sleaze. Vicki and Marley talked about the past. Marley said she knew why Vicki felt guilty. She said it was because she thinks she forced Jamie to marry her because of the baby. Vicki was relieved because Marley was clueless about Jake fathering her baby. Jake stopped by to see his two favorite ladies. Vicki said she felt a bit sick so Jake insisted she go home with Marley and him. While Jake was out the room Vicki snooped through Jake's drawers but Jake caught her.

Guiding Light

Driving aimlessly Phillip and Blake picked up a hitchhiker. It wasn't until after they dropped him off that they realized that he had robbed them blind. Not too

far down the road their car broke down. They started pushing the car to get it to the closest service station. When there was no station in sight they stopped to rest in an abandoned barn. Josh's testimony was over and court was adjourned. Selita asked the district attorney if they were going to win. The district attorney cautioned her and said the verdict could go either way because the jurors could sympathize Josh's testimony. Ed asked the venezuelan doctor who operated on Sonny and performed the autopsy if he could compare the medical records. Reva wept as she, Rusty, and Ed talked over telling Josh they found Sonny's grave. Reva requested that she be the one to tell Josh. They all agree that she would break the news. While Josh was at Reva's bend, Reva called and her voice quivered as she tried to sound hopeful. Josh told her that there would be closing statement tomorrow. Reva told him to stall the proceedings as long as he could because they had definite proof that Selita was impersonating Sonny.
