

## Rangers compete

On Saturday, the members of the Behrend ROTC Ranger Club participated in an overnight field training exercise.

Cadet Andy McConnell instructed the Rangers in the principals of land navigation. They learned how to travel with a map and compass, and were also taught how to locate themselves on the map or find a specific location.

On Sunday morning, the Rangers moved to a land navigation course set up by Cadet Dean Meinert. The course covered a good portion of Wintergreen Gorge, but none of the Rangers got lost, and most of the points were found.

At 10 am on Sunday morning, the club was released and all of the Rangers headed home for much needed sleep. As sore and tired as they were, all the Rangers admitted they had a good time.

Also during the past weekend, the Ranger Challenge team competed at Edinboro in a Ranger Head-to-Head Competition.

The competition consisted of a 10 kilometer road march, a grenade throw, rifle and machine gun assembly, rope bridge constructions and crossing, and a physical fitness test consisting of timed push-ups, sit-ups, and a two mile run.

The Behrend team took first place in weapons assembly, and second in the rope bridge. Behrend tied with Edinboro for second overall, with Gannon and Clarion finishing first and fourth respectively.

The Ranger Challenge team will be in action again on November 2, when they will be competing in a state wide competition with 32 other ROTC Ranger Challenge teams at Fort Indiantown Gap.

## Sigma Kappa Nu scares up volunteers

Volunteers from Behrend's Sigma Kappa Nu fraternity are performing a unique public service at the Rocket 101 Haunted Chamber in North East.

More than 55 brothers and pledges have been digging graves, going headless, and performing other assorted duties in a haunted cemetery, which features eerie sound effects and an original ghost story produced by Rocket 101 radio.

The Haunted Chamber, sponsored by the North East Chamber of Commerce and the WRKT Radio, will reopen today and continue through Sunday school communities. Too often,

only the negative incidents seem to make the newspapers."

Miller credited Sigma Kappa Nu president Todd Raible and Chip Hamilton for initiating the volunteer work effort.

The Haunted Chamber will be open today, Thursday and Sunday from 7 pm to 11 pm, and from 7 pm to midnight Friday and Saturday. Admission is \$3.00.

A special "Friendly Ghost Day" will be held from 12 noon to 4 pm on Sunday. Children under age six will be admitted free and others will pay \$1.00. For more information, call the North East Chamber of Commerce, 725-4262.

## Police Report

by Carol Mandera  
Collegian Staff Writer

Behrend's Department of Police and Safety recorded two minor on-campus accidents last week.

On October 16, a campus employee, driving a university-owned vehicle, was attempting to pull forward from a parking space when he struck a vehicle belonging to another campus employee. Reports indicate no damage to the university's vehicle and minor damage to the vehicle hit.

A female student called the department on October 19 to learn the identity of the owner of a car she had scraped while attempting to park in C lot. Police investigated and determined that

the accident caused minor damage. An officer's report was filed and the student was given the information she requested so that she could contact the vehicle's owner.

Police received a call on October 20 reporting that a south entrance window in Lawrence Hall had been smashed. Records indicate that no suspect has been identified. The investigation is continuing, and anyone with information is asked to contact the Department of Police and Safety at 898-6101.

Happy Anniversary!!!

**You're probably wondering why your car was stolen. You forgot to lock it.**

Funny thing about your car. You left it just for a minute, to run in for some dog biscuits. Next thing you know, you and the dog biscuits are standing on the corner, waiting for a bus. Maybe this hasn't happened yet. But if you keep leaving your car unlocked it probably will. So lock your car, and take your keys, every time you leave it. And don't leave tempting packages on the seats. Find out more about preventing crime. Write to: McGruff, P.O. Box 362, Washington, D.C. 20044. That's one way to help me.
