The men's tennis team dropped a 6-3 decision to Mount Union last Saturday in their first match of the young season.

Behrend was victorious in only one singles match. Freshman Craig Edwards defeated his opponent in two sets 7-5, 6-1. Also in singles play, junior Chuck Keenan put forth great effort in an exhausting match. Keenan lost the first set 4-6, then came back 7-5 in the second set, but eventually came up with the loss.

In doubles action, Behrend won two of three matches. The team of Keenan and Keith Stark, playing at the number one doubles spot, won 6-4, 4-6, 6-4. Eric Good and Edwards won 4-6, 6-4, 6-2 at the number two spot.

Coach Dan Gallegos comments on the opening match:

"They played excellent. I think everyone on the team gave it their all," he said.

Gallegos added the team was cheering for one another and supportive for one another right to the end.

"We played well as a team," said Stark. The sophomore also commented on Mount Union, "They were a good team. They were well rounded and had a lot more experience."

Despite the opening loss, the coach believes his team is still very motivated. They are anxious about their upcoming matches and positive in their attitudes.

The team travels to Thiel College next Thursday for regular-season play.
