

Thanksgiving Dinner for 6 Strangers

Penn State Erie - The Behrend College
Thursday, November 21, 1991

Are you interested in meeting Penn State-Behrend students and faculty? Do you want to know them better? You are cordially invited to attend a **Thanksgiving Dinner for 6 Strangers**, a tradition at Penn State-Behrend. Through this program you will know a bit more personally some of the faculty and staff who assist you in your quest for a richer education. Mark your calendar for Thursday, November 21, 1991 when you will have an opportunity to make new friends and enrich your college experience.

This year, the **Thanksgiving Dinner for 6 Strangers** will take on a new look. It will be a buffet dinner held in the Wintergreen Cafe. One student will share a dinner table with five randomly-selected fellow students and a faculty member. The dinner is free and sponsored by the Office of Student Activities/Union.

This is Penn State-Behrend's fifth annual **Dinner for 6 Strangers** and your participation is needed to make it successful. The Office of Student Activities/Union hopes to eliminate the "strangers" on campus and turn them into friends. Please complete and return the form below.
