

Cycling ends Season

by **Dave Chadwick**
The Collegian

The Cycling Club has had a rather successful Fall season. Since classes started in late August, racers from the club have competed in seven races.

The first of these races was on August 30 when Greg Cacali rode to a strong finish in the Allegheny Cycling Assoc. 40km Time Trial.

Cacali covered the distance in 1 hour, 5 minutes, and 14 seconds, which was 3rd place in the race.

On September 6th, four members competed in the Corry Classic Criterium in Corry, PA.

Bill Sides finished 14th in the 8 mile citizen race, while Cacali and Pat Werner finish 11th and 14th in the 24 mile cat. 4 race. Dave Chadwick finished 9th in the 32 mile masters/cat.2-3 combination race.

The weekend of September 19-20, the team traveled to the Pittsburgh area for the ACA Stage Race.

Stage one of the race was held near Slippery Rock. Beckett won the field sprint for first place in the 12 mile citizen race, while Martha Mercer finished 7th. Cacali and Werner finished 3rd and 10th in the 18 mile "C" category race.

Chadwick finished in 3rd place as part of a strong breakaway in the 30 mile "A" category.

Stage two was held near Burgettstown. Beckett did not finish the 26 mile citizen race due to a crash that required hospitalization.

Cacali and Werner both rode to strong finishes in their 26 mile race, finishing 4th and 7th. Chadwick finished 7th after a getting a flat tire early in his 56 mile race.

Stage three was a time trial held in Avella. Cacali and Werner finished 4th and 7th respectively.

Chadwick did not compete in stage three because he accompanied Beckett to the hospital. Beckett ended up with three dislocated bones, one broken bone, and 5 stitches all in his right hand, along with a mild concussion.

The overall standings had Cacali in third place, and Werner in 7th for the "C" category race.

On September 27, the highly popular Presque Isle Time Trial was held. Chadwick, Sides, Derek Stangle, and Dr. Masteller were among the 750 entrants.

In the 15-19 year old age group, Sides covered the 12.5 miles in 34 minutes and 33 seconds, which earned him 9th.

Stangle finished with a time of 38 minutes and 30 seconds, giving him 16th place.

Chadwick rode to a narrow victory in the 20-24 age group. His 25.3 mph speed gave him a time of 29 minutes and 43 seconds, and that was only 8 seconds faster than the second place finisher.

Dr. Ed Masteller copped the top spot in his age group once again with a time of 32 minutes and 41 seconds, for a average speed of 22.9 mph.

On October 4, Werner traveled to State College, PA to race in the ACACIA Little 500 held on the campus of Penn State. He placed 15th in the 10 mile cat. 5 race.

And just last Sunday, there was the Two-Man Time Trial held in Harborcreek. Chadwick and Cacali paired up to pull in a time of 30 minutes and 43 seconds. This earned them 2nd place in the juniors category.

Dr. Masteller teamed up with his son Mark, a 1982 Penn State grad, and rode to 3rd place in the masters category, with a time of 32 minutes and 33 seconds.

The Cycling Club is now hanging up its wheels for the winter, and is looking forward to the spring season which starts in mid March. Races in the spring will include competition against IUP, Mercyhurst, CMU, Penn State-Altoona, Youngstown State, Slippery Rock, and SUNY- Buffalo.

Attention: Intramural football signups end Friday at 4:00. There are three divisions: men's, women's and coed. Fraternity and sorority point system teams may enter two teams and independent and residence hall teams may enter one team.

Upcoming Deadlines:

Billiards 10/30

Bowling 11/6

3 vs. 3 basketball 11/13
