YOUR ALMA MATER DOESN'T MATTER.**

**Record Breaker**

RECORD BREAKER from 16

Pam plays intramurals of all kinds here and also plays pick up volleyball frequently in the off season.

She also supports other Behrend Athletics by attending events including both Men's and Women's Basketball games.

Some other accomplishments Pam has had on the team are that she was voted Team MVP last year and Practice Player of the year her sophomore year.

"She doesn't give up and she makes things happen...She's really tenacious out there," said Coach Wilson of Pam's match and practice efforts.

After graduation in the Spring, Pam is planning to find a job in her field either in Pittsburgh or in the Washington D.C. area, and eventually go to graduate school to earn her MBA.

She would also like to continue playing volleyball by getting into a competitive league.

"It's not something I could just give up after playing for eight years, it's in my blood for good," she said.

Coach Wilson all four years. "Coach (Wilson) works well with us and pushes to get the most out of us that she can. She sees problems right away and has even devoted entire practices to team weaknesses and that has helped quite a bit," she said.
