WELCOME BACK: Philadelphia Flyer, Eric Lindros, made his homecoming to Quebec on Tuesday. It was not a lovefest in Quebec however, as the Quebec fans felt that Lindros insulted the city when he refused to sign with the team. Last Saturday the men's soccer team shut out Washington and Jefferson by a score of 2-0.

Sophomore forward Alan Cornell scored the first goal with an assist by sophomore forward Mark Fiorelli.

"The game was going both ways until the first goal was scored. It boosted the team's confidence," said Sean Tucker, a sophomore forward.

"Winning is like a heart beat, you have to feel it."

Tucker scored the second goal, which he described as, "...icing on the cake," with an assist from Cornell.

Both the defense and offense worked together well to enable the team to win.

The defense played extremely well, giving the offense opportunities to score.

As Cornell said, "The best offense is a good defense."

Rusty Brown who played goal keeper, saved a penalty kick. Shortly after the kick, the offense charged down the field

Coach Dennis Grace is very proud of the hard work and efforts displayed by the team.

"Winning is like a heart beat, you have to feel it," said Grace.

The team's final home game is next Monday against Slippery Rock.

Athlete of the Week

'Setting' the Record

by Keith McFall
The Collegian

This week's Athlete of the Week is Pam Allshouse, a member of the Women's Volleyball team.

Pam is a seventh semester senior Business Management major from Conneaut Lake.

She attended Conneaut Lake High School and played four years on the volleyball team there.

She was recruited by Coach Jan Wilson out of high school and is finishing her fourth year as a setter on the team.

Her major accomplishments on the team are that she broke the service ace record this year, set by Kellie Jordan in 1991, and she also holds both the season assist Record at 801 and the career

assist record with 1546.

She attributes starting all four years and playing a 5-1 offense where she is the only setter, to helping her set the assist records.

For the past two years Pam has been a co-captain on the team, a job well deserved according to Coach Wilson.

"She's demonstrated great leadership skills this year on and off the court, and has really grown into the job," said Wilson.

Some of the goals Pam has set for the rest of the year are for the team to "continue playing the way we did in the Lion Challenge (they came in second place), and to have as much fun and play as hard as possible," she said.
