Thanksgiving Dinner for 6 Strangers

Most faculty and staff members only have the opportunity to meet students in a formal academic or advisory setting. By hosting a table at the **Thanksgiving Dinner for 6 Strangers** program, you will have the opportunity to meet students in a non-academic setting. This will also give students an opportunity to get to know faculty and staff members as people with interests beyond the classroom or the office.

This year, the **Thanksgiving Dinner for 6 Strangers** program will be held on **Thursday, November 19, 1992** in the Wintergreen Cafe. Each faculty member will share a dinner table with six randomly-assigned students. The dinner is free and sponsored by the Office of Student Activities/Union.

This is Penn State-Behrend's sixth annual Dinner for 6 Strangers and your participation is needed to make it successful. The Office of Student Activities/Union hopes to eliminate the "strangers" on campus and turn them into friends.

better this year as a team, especially toward the end of the season," said Marc.

In the off-season Marc participates in as many intramural sports as possible here at Behrend. And in the summer he does landscaping

work and plays a lot of soccer and basketball.

Marc is not sure whether he will stay at Behrend for two more years, but he has greatly enjoyed his first two seasons of soccer here.
