by Gary Johnson
News Editor

The Blood Drive on Wednesday, March 31 and Thursday, April 1 was characterized as "another successful effort by the students of Behrend," by the Community Blood Bank of Erie County.

Patty McMahon, Coordinator, Health & Wellness Services at Behrend, said, "Tau Kappa Epsilon and Delta Phi Epsilon did a superb job in helping to set up, tear down, and register donors."

According to McMahon, Behrend is still the number one supporter among high schools and colleges in the Erie area.

"The response was excellent, and we had over one hundred pints donated. We are still compiling the results of the organization competition."

In comparison to the past years' Fiestas, Ken Miller, Associate Dean of Student Affairs, said, "I think this year's has been a greater success as the event has continued to grow. More groups have participated and the types of things represented have grown."

As for next year's Cultural Fiesta, Wade said it will be "bigger and better."

"There is always room to improve," said Miller. "We are always welcome to suggestions from students and faculty."
