seniors.

More students are coming to Behrend in the DUS curriculum and in the engineering technologies. Madigan added that "Behrend's plastics department is attracting a lot of people."

"Other than University Park, Behrend has the highest criteria for Penn State freshmen," continued Madigan. "And more freshmen are putting Behrend as their first choice."

Fewer people are coming from out-of-state. Madigan says this is probably due to tuition increases. More Pennsylvania residents are leaning away from private schools and out-of-state students are starting to stay closer to home because of the increased cost for them to go to school in another state.

Madigan said, "For a Pennsylvania resident, tuition is \$4548 for a year, while out-of-state students will be paying \$9574, over twice that for in-state students."

designate an individual to contact the Ticket Office on Monday (two weeks prior to the game) with the number in your group. Coupons must be mailed to the Ticket Office by Thursday of that week. Reserved seat tickets will be mailed to the designated individual for distribution. Location of the seats will be determined by the class standing of the majority of the students in your group.

On game day, if you have a group of 6-19 fellow students who want to sit together, you may designate one student to present the coupons at an Advance Pickup Booth - Beaver Stadium. Hours for this pickup will be 9 a.m. to 11 a.m. (based on a 1 p.m. kickoff). Locations of the seats will be as listed above.

You may redeem your coupon for a reserved seat ticket at the student gate upon admittance to the stadium. Students wishing to be seated together would need to enter the gate at the same time.

The first 30 rows in each student section will be distributed at the student gates ONLY. Student gates open 90 minutes prior to kickoff.

In implementing the procedure, the coupons will be exchanged at the gate at the student sections on the day of the game. There will be an increased number of exchange points as well as open gates where persons who have already exchanged the coupon for tickets will be admitted.

The committee included representatives from University Student Advisory Board, the Association of Residence Hall Students, Interfraternity Council, Organization for Town Independent Students, Council of Commonwealth Student Governments, Black Caucus, Intercollegiate Athletics, Student Programs and Services, and University Safety.

## Police Report

by Jeff Johnson  
Collegian Staff

### Scattering Rubbish

On Saturday, April 3, a student was arrested by the Police and Safety Departments for scattering rubbish in the parking lot. The student explained that he was cleaning out his car and left the bag of rubbish on the ground.

### Towed Vehicles

There have been several complaints of illegally parked vehicles in the area of residence halls and apartments. These vehicles have been towed and Commonwealth citations were issued to the owners.

### Medical Safety

The University Police and Safety Departments are currently conducting a safety check of all buildings on campus.
