Jim's Journal

I was sitting in my chair today when Mr. Peterson started attacking my feet.

Then she looked at me, flipped over, then hid under the table.

The phone rang, and Mr. Peterson darted into the other room.

It was the audio repair place saying my radio was fixed.

I went to the audio repair place today to pickup my radio.

While I was there, I asked if they sold antennae, because mine was broken.

The woman working there asked me to describe the problem, so I explained my bad TV reception.

She said, "why don't you have cable?" and I said I didn't know.

THEIR GPA SAYS THEY'RE SMART, BUT WE KNOW THEY'RE STONE DUMB. SUMMER SESSION STUDENTS SULTANS OF LEARNING. MY FAVORITE SUMMER-TIME LEISURE ACTIVITY IS READING MY TEXTBOOK WHILE COOPED UP IN A GLOOMY STUDY LIBRARY. I GUESS I'M A LOT MORE RECKLESSLY FUN-LOVING... I SOMETIMES USE A HIGHLIGHTER OR EVEN WRITE NOTES IN THE MARGIN. WHO ARE THEY? 16-YEAR-OLDS WITH IQs OVER 140 WHO WANT TO GET OUT OF COLLEGE AND BECOME DOCTORS BEFORE THEY HAVE PUBLIC HAIR. 30-YEAR-OLDS WHO HAVE 1680 CREDITS TOWARD THEIR BACHELOR'S DEGREE, BUT STILL DON'T FEEL READY TO ENTER THE WORKPLACE.
