### Fire

On Monday, October 18 at 10:28 p.m. a student placed paper inside his jack-o-lantern and set fire to it, causing the fire alarm system to activate. Upon their arrival, police officers found smoke in the resident's room and a strong odor of something burning. Fire departments from Brookside, Lawrence Park, Belle Valley, and Kuhl Hose responded, as did Medic 92. The pumpkin, which was found sitting on a pile of clothing in the student's closet, was burnt out and no damage had occurred. Charges are pending against the resident.

### Theft

Between 7 a.m., Monday October 18, and 10:30 p.m., Tuesday October 19, an unknown person(s) removed an end table from the lounge in the Hammermill/Zurn Building. The incident is under investigation.

## SGA Report

The SOC Budget Committee met on Tuesday, October 26 to allocate available funds to campus organizations. They allocated over \$12,000 to organizations who submitted supplemental budgets. An excellent opportunity to voice any concerns or problems to SGA will be available in a few weeks to all Behrend students. Each senator has been assigned 200 students to get in contact with so the students have a direct voice on SGA. We are doing this to attempt to involve a greater number of students with their student government.

SGA will be co-sponsoring the HBO movie "And the Band Played On" with Alpha Phi Omega and several other organizations during the AIDS Awareness program on November 6.
