june 29-uds. IMPORTANT FACTS. DR. LEIDY'S SANSAPARILLA BLOOD PILLS, are applicable in all cases, whether for Purgation or Purification. They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsap arilla in their composition, which is not contained in any other pills in existence. They are also different from other pills in composition, being purely vegetable, and can be employed at all times, without any danger, and re

quiring no restraint from occupation or usual course of Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performed by them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal in their effect; and persons using them for whatever sickness or disease, may reat assured they will be found more efficacious than any oth

From the known reputation of Dr Leidy's Blood Pills, 'tis deemed necessary to remind the public where they may at all times procure the genuine, as it is attempted to impose other pills called Blood Pills' upon the public on the reputation of Dr. Leidy's.
