

dition, and Princeton hopes to make a good showing at Mott Haven this spring.

Lacrosse is in a flourishing condition, there being about thirty men practicing for the team, and plenty of excellent material is at hand. Those whose aspirations do not carry them into the rougher grooves satisfy themselves by wielding the tennis racquet.

The other college organizations are in a state of activity. The gymnastic association is practicing daily preparatory to the exhibition which they contemplate giving about Commencement week. The dramatic association is also getting ready to bring out the play "Engaged," which is to be presented some time during third term for the benefit of the base ball association.

All the college publications have changed hands, and '89 has now the control of the *Princetonian*, *Sit* and *Philadelphian*, so that a new year and a new condition of things has been ushered in.

#### PRINCETONIAN.

#### URSINUS COLLEGE LETTER.

The spring term of the college began April 9th, Professor Hendricks delivering the customary opening address. On May 1st the catalogue for '87-'88 will be issued. It shows a total attendance for the year of 160 students—the best record Ursinus has ever made. A lawn-tennis club, recently formed, promises to be very successful. It already numbers a large list of active members, who practice daily on the spacious campus. The Alumni and several society libraries of the college, heretofore kept in different halls, have just been consolidated and a general library room established. The change meets with the warm approval of the students, and as a result large additions of new books are coming in. A department of music was inaugurated at the institution this month. Preparations for the 17th Commencement in June are under way. "Hard work, enthusiasm and much prosperity" is the message Ursinus sends.

Secretary and Treasurer.....George McKee.  
Historian.....George Downing.

###### CLASS '89.

President.....A. A. Patterson.  
Secretary and Historian.....C. G. Roop.

###### CLASS '90.

President.....C. M. Kessler.  
Secretary.....F. A. Bryan.  
Treasurer.....J. M. Walker.  
Historian.....H. R. Loyden.

###### CLASS '91.

President.....F. N. Weldner.  
Secretary.....Clara Hartwick.  
Treasurer.....Hugh Hamilton.  
Historian.....S. G. Allen.

—Linsz is the best bowler in college.

—Frank Carnegie is on the sick list.

—Frank Musser is one of our best base ball catchers.

—The Freshman Latin Scientifics have a hard row to hoe.

—The boys of prepdom are becoming great poultry fanciers.

—"Buck" Reber is engaged in writing a poem. It will be in blankety-blank verse.

—Amateur photography is again becoming a "craze" with a number of the students.

—It is said that several new residences are to be erected at State College this summer.

—The new brick-works for the manufacture of brick for the new buildings are about completed.
