Y. M. C. A. NOTES.

The college association got out a very unique combination of hand-book and schedule card for new students.

The reception, as given annually by the association, was held in the Society halls, the first Friday evening of this term. In place of the usual programme of refreshments, a short musical entertainment was introduced which everyone apparently appreciated quite as well as they could have enjoyed something more material.

John White of the class of '94 represented the association at Mr. Moody's summer school at Northfield, Mass.

F. F. Weld of '93 was delegate from this association to the State convention held at Germantown this month.

The officers for the ensuing year are, President, Mattern; Vice President, White; Rec. Sec. Mathias; Cor. Sec. Brown; Treasurer, Smith.
