

FOOT BALL.

STATE COLLEGE O—U. OF P. 20.

—The game of foot ball, between our own eleven and that of the University of Penna., which was played in West Philadelphia, on Oct. 1st, did great credit to our home eleven, considering the odds that were against them. In the first place we have to pick an eleven from three hundred, while the University has the choice of fifteen hundred students; and yet pays salaries in an indirect way to professionals to complete the makeup of their team; and besides this we played on their grounds and had to battle twelve instead of eleven men, "if the referee could be considered a man," for his decisions intimated that he lacked good judgment, or was devoid of that quality of justice which should characterize a referee. A great many friends of the college were present at the game and showed their appreciation of the team's work in battling against disadvantages by cheers and display of colors.

Among those friends of the college who were present, were Dr. Atherton, Mr. and Mrs. Haley, and daughter, Capt. C. W. Roberts and family, Dr. Girvin, wife and daughter; Rev. Wm. Calder and many other friends, but whom want of space forbids mention.

The game was called at 3-30 p. m. The teams lined up as follows:

STATE COLLEGE 40 WYOMING SEMINARY 0.

On Friday Oct. 27th our team started on their second trip, expecting to play two games, one at Kingston with the Wyoming Seminary team, and the other at Bethlehem with the Lehigh University team. The boys arrived at Kingston at 12 o'clock m. and after a light lunch prepared for the game which was called at 3 o'clock p. m. Upon lining up it was plain to be seen that our team had the advantage in weight and later in the game showed their superior tactics, for they played better together during this game than in any one previous to this, and it was encouraging to see the backs protecting each other while running with the ball. The Seminary boys, although playing with determination, were not able to get the ball closer to our goal than the ten yard line. The first half was of 45 minutes while the second lasted but 30 minutes.

The team lined up as follows:

Wyoming	POSITIONS.	State College.
Humphreys.....	right end.....	Rothrock.
Miller.....	right tackle.....	Morrow.
Jeffers.....	right guard.....	Fisher.
Jake.....	centre.....	Read.

Referee Mr. Haley, of State College, and Mr. Robinson, of Lafayette, umpire.

During this game a dispatch was received from Lehigh saying that they could not play us on the following day for reasons we have not yet heard. The team therefore returned on Saturday evening.
