*P. S. C. DEFEATS LAFAYETTE!  
SCORE, 18 to 0.*

The efficient team work and thorough training of our team won for us a victory over Lafayette at Wilkesbarre, on Nov. 23, which, without question, places our College on equal footing with Lehigh and Lafayette in the foot ball world, and gives her a good claim to the position of second team in the State.

The result certainly permits us to indulge in flattering retrospect of our collegiate athletic history which, in reality, does not extend over three years. Only three years ago Lehigh defeated us by a score which would figure among the largest scores ever made, and now we have shut out Lafayette, Lehigh's greatest foot ball rival. It is stated upon good authority that both Lehigh and Lafayette have as strong teams as they ever put on the field so our success cannot be attributed to the decline of other teams

The game was witnessed by a much smaller number than was expected, due to inclemency of the weather. A cold, penetrating wind blew across the field during the whole game but the spectators braved it nobly. Among the 500 present, maroon and white, and blue and white were conspicuously displayed and with each blast of wind the ribbons fluttered frantically as if to show the enthusiasm of the wearer.

About 2.30 the teams drove on the grounds in stages amidst the cheering of their friends. A short practice was taken during which the spectators had an opportunity to compare the strength of the two teams. Both seemed about equal in strength and every man looked as though he was ready to begin a hard struggle for the reputation of his college. At 2.45 the game was called. Lafayette won the toss and made a rush for five yards. Then Boyd made a short gain around right end. Lafayette lost the ball on four downs. By running through right tackle, Fay gained eight yards and Taylor went through tackle, for eight yards. Fisher, well protected by Fay, Atherton, Brown and
