

hundred comfortably, but it will easily accommodate from a hundred and fifty to two hundred more on a pinch. The roof is broad and projecting, with a gable in front. It bears three flagstuffs. The seats are broad and comfortable, the first four rows being furnished with movable backs. Beneath the seats at the back is a ticket office with two stairways leading up from it on the inside. There is also space for dressing rooms and lockers which will in time be fitted up. It is the crowning feature of our fine athletic field, and we take this opportunity of heartily thanking the Legislature for their munificence and the advanced attitude they have taken toward athletics at P. S. C.

—The prospects for a successful football season are very bright. There are about thirty candidates for the eleven while many of last year's victorious team will fill their old positions. The following is the probable constitution of the team. Brown will probably fill his old place at full back, Haley will drop out of the line and take Fay's place as left half; Wolfe will take Taylor's place as right half back; Hoskins, will play centre; Atherton, will play quarter back; Fisher, left guard; Hildebrand right guard; Dunsmore, left tackle; Dowler, right tackle; Harris, left end; White, right end. There are other promising candidates. Stuart is putting up a fine game as full back on the second eleven; Beers, a 220 lb Freshman, is trying for centre; Shaffer also a new man, is a candidate for tackle, while Bowman '94 as half back, and Robinson '96 at end are putting up very strong games

—The State College Reserves went to Altoona Oct. 7th, to play the Altoona Cricket club. They met defeat by the score of 6-0. Fay of last year's team won the game for Altoona, scoring the only touchdown, from which the goal was kicked. Altoona far outweighed our light team, as her men made an average of 189 pounds. The score was made in the first half. In the second half our boys had slightly the advantage but were unable to force the ball across the line. The only play by which Altoona made substantial gains was the turtle back. The team lined up as follows:

P. S. C. Scrub.	POSITIONS.	Altoona C. C.
Robison.....	right end.....	Westbrook.
Shaeffer.....	right tackle.....	Neilson.
