

After Mt. Pleasant kicked off, the ball remained in State's territory until Hauser again booted one between the bars from State's 25 yard line making the score 18 to 5 which proved to be final. After this the ball remained in the center of the field most of the time until a kicking duel was resorted to between McCleary and Mt. Pleasant. The forward pass was used by both sides to good advantage and the game ended with the ball in possession of the Indians on State's 25 yard line. The line-up:

Notes of the Game.

The Indians used the forward pass successfully 6 times out of 10 for a net gain of 143 yards. Twice they fumbled, were penalized once, and once lost 2 yards. State was penalized once for offside and once for holding, while the Indians were penalized twice for holding.

State was probably robbed of a touchdown in the first half when the officials would not give them a first on a fumble recovered by Smith on the Indian's 9 yard line. The distance lacking was about two inches.

Our undergraduates are to be congratulated on the fine cheering during the second half as well as on the spirit shown after the game. They certainly were the largest and most manly crowd that has yet attended a game.

Many old students and alumni were seen on the bleachers and side lines during the game.

Ritchey showed up well at tackle. McCleary's 70 yard run brought down the house.

The papers which stated that State outweighed the Indians 10 pounds to the man were very much in error. The Indians were by far the heavier.

The remarks about Coach Warner's ungentlemanly actions along the side lines were not limited to State's backers.

Football Gossip.

Oberlin surprised Cornell by crossing the line in the first half, but lost by the score of 22 to 5. Cornell was hard pressed to win. In the second half long runs and open plays were marked on both sides.

At Annapolis, the Midshipmen played a good game of football for so early in the season and easily defeated Dickinson by 15 to 0. The Navy scored without difficulty.

A safety spoiled a clean score in the Bucknell—Penn. game, U. of P. winning 29 to 2. Bucknell put up a good fight, but the superior weight of the Penn. team told. Penn's new quarterback, Reagan, played in great style. Penn fumbled considerably and was frequently penalized.

Western University of Pennsylvania defeated Marietta College by the small score of 6 to 0.

Bellefonte 4—Indiana 0.

The first preparatory school game for this season on Beaver Field occurred on Monday afternoon, when the Bellefonte Academy team defeated the Indiana Normal boys by a close margin. Both teams had played games on Saturday and as a result were not in condition to do their best. Indiana worked the forward pass to good advantage, while Lyon's line work and Pantall's kicking were the features of the Bellefonte boys' work. The officials were: umpire, Maxwell; referee, Burns; linesmen, Haverstick and R. Vorhis. Time of halves, 25 and 20 minutes.

The Junior—Senior Electrical Feed.

On Thursday evening of last week the senior electricals accepted the invitation of the juniors in the same course to help in the disposal of a quantity of "eatables" at the Nittany Inn. Approximately one hundred men sat down to the tables at the appointed hour, there being forty-two seniors, fifty-two juniors, and five members of the instruction force of the department.

The speech-making proved to be not the least interesting feature of the evening. C. N. Fleming, '09, acted as toastmaster. The following toasts were responded:

- The Senior Electrical H. M. Braucher
- The Junior Electrical W. E. Hoffman
- My Bunch Prof. J. P. Jackson
- Why am I an Electrical W. C. Weaver
- Our Profs R. R. Dry
- The E. E. Society C. L. Kinsloe

Dr. Myers, Mr. Munroe, and Mr. Adams, all of the electrical department, talked interestingly. Other impromptus were given and it was late when the gathering finally broke up. Although humor predominated, a vein of seriousness ran through all of the talks which fortells good work in the electrical department for this year.
