

**Dr. Gill Returns.**

Dr. and Mrs. Benjamin Gill arrived in town last Thursday after noon after a journey of nearly ten thousand miles, having crossed twice the longitude and latitude of the United States. They lingered longest in the neighborhood of Los Angeles and Portland. They visited nearly all the scenes of greatest interest in the far west and have seen sufficient to inspire them for a life time. Among the places visited were Los Angeles, Long Beach, Pasadena, Santa Barbara, Santa Cruz, Palo Alto, Oakland, and San Francisco.

Dr. Gill is more impressed than he was two years ago with the resources of the west and the possibilities that lie open there to young men. He would gladly and freely give talks upon this topic in case he could secure an audience. They are pleased to be back again and at work and both say that they are as contented in State College as anywhere in the world so long as there is something for them to do.

**The Glee Club.**

Trials for the college Glee Club were held several days ago and the place left vacant by the 1907 members were well contended for, there being about fifty applicants. Rehearsals are being held two nights a week—Wednesday and Friday—in preparation for a concert to be given in Bellefonte on Oct. 31. The manager is working hard to arrange a number of dates for a trip this fall and one at Easter time and any aid the students can give him as to the opening at their home town will be appreciated. A good Glee Club is a strong advertisement for the college and every effort is being made to develop the best club ever heard here. Arrangements are being made to have a trainer from outside to get the club in shape.

The officers for this year are: Leader, J. B. Wyckoff, '08; Manager, S. S. Sadler, '09.
