"Big "Cyph" in California.

The Collegian is in receipt of a letter from E. R. Cyphers, otherwise known as Big "Cyph," who was such a strong man on our football team last year. He is spending the winter in Southern California with R. W. Gammel gathering celery and picking oranges. They just finished an extended trip through the Kansas, Dakota and Alberta harvest fields, and visited the Seattle Exposition. Their address is General Delivery, Los Angeles, Cal. They extend their best wishes to all old friends.

STATE 33, BUCKNELL 0

Bucknell Defeated Last Week by a Larger Score Than Ever Before.

It brought joy to a multitude of State men when Bucknell was given the worst defeat last Saturday ever meted out by a State team to a Lewisburg aggregation on the gridiron. Last year's 33 to 6 score came nearest the recent tally of 33 to 0, as the biggest margin of points we ever had over the Orange and Blue in the older days was twenty three points—a record made in '97 when J. M. Curtin's eleven won from Bucknell 27 to 4. Last Saturday's pleasing victory is only one more indication that the Nittany Lion is this year one of the very strongest football teams in the State of Pennsylvania.

There were probably seven thousand and spectators present on the hillside and the temporary bleachers at Lewisburg when "Larry" kicked across the Bucknell goal line as a fit beginning for the game. Scrimmage was started on the 25 yard line with the ball in Bucknell's possession but she could gain nothing and after catching a good punt from Jordan, Vorhis was downed in mid-field. For the first fifteen minutes of the initial half our eleven did not play together as well as usual, our opponents being able to hold the Blue and White nearly level.

Then "Aleck" Gray blocked Jordan's attempted punt fairly and squarely on Bucknell's 7 yard line. As the ball shot back over Buck-

nell's goal line half a dozen State men were after it, but the ever-alert Weaver had the honor of falling on the pigskin, and making our first touchdown against Bucknell. Vorhis's attempt at goal from touchdown went low and the score was—State 5, Bucknell 0.

After that the loyal Orange and Blue rooters were still heard often, but they seemed to realize, as well as their team, that a victory could hardly be hoped for. The bringing in of outside coaches and the playing of Daniels, who had not this year appeared in a Bucknell lineup until last Saturday, availed nothing, because our eleven was out to win and win they did with clean-cut precision. It must be acknowledged, however, that the Lewisburgers' lighter team fought valiantly until the score was hopelessly against them.

That point was almost reached by the end of the first half for McCleary was pushed over for a touchdown one minute before the half closed. The goal was again missed but the big Blue and White team ran off the gridiron ten points to the good.

Between the halves the home students held a snake dance on the northside of the gridiron while four hundred State students went out on the field and gave our yells with a gusto that made them echo and re-echo from hill to hill. The belief of a warlike feeling existing between the two student bodies as expressed in a Lewisburg paper was hardly justified for the relations proved to be good natured and cordial. The
