**The All Pennsylvania Eleven.**  
That our team is well known and its work appreciated in Western Pennsylvania was shown in the 1909 "All Pennsylvania eleven," which is selected annually by the Pittsburg "Press." This fall Vorhis, Smith and McCleary were selected on the first team, and Gray and Hirshman on the second. When it is considered that the chosen ones were taken from the thirty-six colleges of Pennsylvania, this is surely a good showing. Here are the "All-Pennsy" aggregations:

### Cross Country Run on Dec. 11.

Friday, Dec. 11, there will be a Cross Country Run open to all students. The race will be a handicap event so that all entries will have an equal show. There will be from 12 to 14 prizes given to the winners among which will be a time prize, first prize, team trophy and a number of other trophies. Special attention is called to the team work. The teams will represent the several classes, each team to consist of an unlimited number of men, the first five men finishing in each team counting for score. All classes should make a special effort to have the best team, for this event will be a good one and the trophy is well worth working hard to win.

From the 19th of Nov. to the 25th, there will be no Gym classes and from the 25th on, all men who are training for this race will be excused from Gym classes. Everybody who possibly can is urged to come out for this race, for a good large field is desired. The course and distance will be published later.

### Hazing at Bryn Mawr.

M. Carey Thomas, president of Bryn Mawr, in an address to the students at the opening of the term, made reference to the voluntary abolition of hazing at that institution. She said

"This year is marked out for me from other years by the decision of the students of the college through their self-government association to do away with what has been a blot on the fair escutcheon of Bryn Mawr and give up once and for all the silly and ungenerous practice of teasing, embarrassing and hectoring the younger and inexperienced students. However slight this hectoring may have been, it was uncivilized and barbarous."

He that loseth wealth, loseth much;  
He that loseth friends, loseth more;  
But he that loseth his spirits, loseth all.
