STATE DEFEATS SWARTHMORE.

Two Penn State Track Records Broken and One Equalled, in Track Meet Last Saturday.

A crowd, which approached a commencement gathering saw Penn State decisively defeat Swarthmore in a dual track and field meet held on New Beaver Field last Saturday. The final score was State 72, Swarthmore 32. It was a wonderful day for breaking records. The old Penn State pole vault record of 11 feet 1 1/2 inches made by Guy Strayer, ex-'10, was broken by Hoskins and Maybee who established a new height of 11 feet 2 1/4 inches. Both Hoskins and Maybee are entitled to equal credit as they both cleared the bar on the second jump. Captain Mathers ran the 220 yard low hurdles in 25 minutes and 3-5 seconds, thus lowering the old Penn State record of 26 seconds by 2-5 of a second. The old record was held jointly by J. E. Hornbacker '05 and W. G. Childs '08 the former establishing it in 1903.

Bradford of Swarthmore in running the 440 yard dash contracted his breathing muscles which kept him out of the half mile run Chubb did well in this race considering that his injured ankle had hindered him from training for the meet. Summaries:

100 yard dash—Won by Murfitt, Swarthmore; second, Hess, Swarthmore. Time, 10 seconds.

One mile run—Won by Lum, State; second, Faulkman, State. Time, 4:35 2-5.

440 yard dash—Won by Bradford, Swarthmore; second, Lutz, Swarthmore. Time, 51 3-5.

120 yard high hurdles—Won by Guyer, State, second, Murfitt, Swarthmore. Time, 16 3-5.

220 yard dash—Won by Hess, Swarthmore; second, Murfitt, Swarthmore. Time, 22 2-5.

Two mile run—Won by Keiser, State; second, Reeves, State. Time 10:15 4-5.

Half-mile run—Won by Fisher, State; second, Leyden, State. Time, 2:5.

220 yard low hurdles—Won by Mathers, State; second, Chamberlain, State. Time 25 3-5 records.

16 pound shot—Won by Barrett, State; second, Saulsbury, State. Distance, 37 feet 1 inch.

Pole vault—Tied by Hoskins and Maybee, Height, 11 feet 2 1/4.

Running high jump—Won by Meligh, Swarthmore; second, Armsby, State. Height, 5 feet 6 inches.

16 pound hammer throw—Won by Saulsbury, State, second, Engle, State. Distance 110 feet 4 inches.

Running broad jump—Won by Mathers, State; second, McEntire, State. Distance 21 feet 6 3/4 inches.

Juniors Lose Again.

The Juniors lost their second baseball game of the season when the sophomores downed them by the score of 7 to 1. The sophomores, victory was due to their heavy hitting. Heckinger had a triple, a double, and a single. Both Glavin '12 and Barrett '13 hit to deep center for home runs. Heckinger's pitching was effective.

Home runs—Glavin, Barrett. Three base hit, Heckinger. Two base hit, Heckinger. Base on balls, off Mullhaupt 1. Struck out, by Mullhaupt 5; by Heckinger 3. Hit by pitched ball, Fennel, Smith. Double play Smith, Kneer and Hartz. Umpire Spangler.

VILLANOVA LOSES TWO

Penn State Takes two Straight from Main Line Team. Heavy Hitting Marks Both Contests. Three Home Runs in First Game.

Sweet revenge came to us in the shape of two great victories over Villanova last Friday and Saturday. In '03 we lost one contest to the Main Liners, in '09 three, and last year one, so that our batters had something saved up for the visitors, as evidenced by the scores of 16 to 1 and 7 to 1 in the two encounters last week. Previous to 1908 we had always won a big majority of our diamond struggles with the players from the eastern end of the state, then Villanova held sway for three seasons, and now captain Kelly's nine has handed the asterners the worst defeats in the history of the Penn State—Villanova series, and again we are on top.

On the defense our nine was built around the powerful big "Rube" Klepfer who has now rounded into even better form than that he showed last year. In the first triumph twirler Klepfer fanned eight men and allowed but two hits in four innings while he scored more runs himself than the entire visiting aggregation of "German" (?) descent. He, two, opened up the second game on the firing line for coach McCleary and retired at the end of the fourth inning when the game was safely in our hands. Whitney finished the first joyful event on the mound for the Blue and White in excellent form, while Jay Minich did not allow a single hit in the final innings of the second victory.

To the freshmen middle-fielder, "Old Pep" Craig, the games were a matter of lively baserunning for his hits were long and hard; one home run, two three-base hits, two doubles and a single was the best he could do against the visiting twirlers. It was joyous indeed to see our men scamper around the bases, especially during the first contest which will long be remembered as a nightmare by the Villanovans.

Haddow commenced our scoring by a slashing home run to left center in the second inning of the first game. Hits by Blythe and Bien, and Young's walk in the second inning were followed by Craig's triple, netting us four runs in all. In the following round, Workman duplicated Haddow's feat.

In the fourth inning captain Kelly and Young each had two hits, Craig got a home run, and Workman and Klepfer had singles. Fourteen State batters faced pitchers Beadle and P. Murphy and nine runs were tallied for us. Captain Skelton called the game at the end of the first half of the sixth inning, but in the meantime our batters annexed two more tallies on hits by Marion and Bien and an error by the left fielder. State 16, Villanova 1.

On Saturday coach McGeehan's men were again clearly outplayed in every department of the game. Craig, Kelly, Bien and Manion secured our hits and the latter caught in great style. Manion caught his first full game for the varsity and did well. Bien was in right field during both contests and annexed four hits, while "Shorty" Miller was used in left field during the final two innings of the second game. The story of the two splendid victories is tabulated below:

Track.

Entries for the Novice meet must be in by to day. Hand your name to "Pop" Golden or "Ed" Lewis.

At the recent interscholastic track meet held here, five records were broken. Morris of Juniata prep, ran the half mile in 2 minutes 8 seconds, breaking the record of 2 minutes 11 4-5 seconds formerly held by Bruce, of Indiana normal. Stull, of Johnstown high school, ran the mile in 4 minutes 45 4-5 seconds, breaking the record of 4 minutes 54 3-4 seconds formerly held by Gehrett, of Juniata prep. Morris, of Juniata prep, broke the two mile record of 11 minutes 23 1-5 seconds, held by Northrup, of Canton high school, by running it in 11 minutes 4 1-5 seconds. Fletcher of Troy high school, put the 12 pound shot 42 feet 5 1-2 inches, breaking the old record 39 feet 6 inches held by Little of Indiana normal. Fletcher also broke the 12 pound hammer record, throwing it a distance of 155 feet 4 inches. The former record of 131 feet was held by Little, of Indiana normal.

Seniors 5 Freshmen 3.

Last Thursday, Old Beaver field was the scene of an interesting baseball game between 1911 and 1914, the former winning by the score of 5 to 3. Caruthers, '11, made several sensational catches in left field. Home run, Hittner. Two base hit, Deihl. Base on ball. Off Lentz 3, off Duncan 3; off Nagle 4. Hit by pitched ball, Caruthers, Chubbuck. Umpires, Spangler and Anne.

Physics Department Growing.

The Department of Physics is continually growing and making improvements. Only recently, a new laboratory equipped for work in light, and a strictly modern outfit for making photometric measurements have been installed. A more efficient Department of Physics cannot be found in other college in our state.

"THE GIRLS OF 1776"

Young Women of College Present Annual Play on Saturday.

The "Co Ed Show" given as a benefit for the Y. W. C. A. in the Auditorium on Saturday evening was entertaining and attractive, altho it can not be said to have been a marked success. Altho the characters, for the most part, were well represented, and the costuming was good, an essential element seemed to be lacking in the play itself. The college girls have made a laudable attempt to try something of more value than the light local comedies of former years, but the choice for this year was a play too slow and unattractive. Too much praise cannot be given the members of the cast, however, and to Mrs. Dreifus, the coach, for the results they accomplished with so difficult a play.

Miss Margery Lyons was especially good as Madam Evelyn Mayfields, a matronly adherent to King George of England, and deeply concerned in intrigues against the American army. Miss Lucy Kemmerer, as Honora Drake, a friend of Madam Mayfields, depicted in an excellent manner her mental struggle between loyalty to the king and love for her young brother in the colonial army. Misses Eleanor Shaffer and Anna Maurice, as Madam Mayfield's daughters, Amanda and Helen, together with Miss Marguerite Hinchman, as Anna Van Dresser, their friend, represented in true fashion the typical "Tory maids."

The parts of Barbara Steels and Dolly Darrah, two patriot girls, were ably filled by Miss Helen White and Miss Jean McNarney. In attempting to smuggle "the papers" to the front, these characters masquerade as young British cavaliers, and cause great havoc among feminine hearts.

Miss Margaret Krebs acted the difficult role of the "Grandmère" Mayfields in very creditable fashion, and Miss Katharine Kessler was a great success as Jacquelin, Grandmère's French maid.

Betsy Ross, the mother of the flag, was well represented by Miss Bessie Fye. Misses Davis, Ride, Williams, and Stode, as the four pickaninnies, were very amusing, and made a hit with their singing and dancing.

Little Miss Dorothy Dreifus, of Altoona, completely charmed the audience with her dancing and speaking. The remaining characters, guests of the Mayfields, were well represented by Misses Marguerite Powell, Martha Davey, Grace Arnold, and Elsie Ernst. The chorus of ten was well received, and the stately minuet, the closing scene, was a pretty spectacle.

Dr. H. Freeman Stecker Honored.

In arranging the one thousand men of science in America, Mathematics was given eighty of the one thousand. These eighty were selected as follows: Ten names of mathematicians in America with the request that they each arrange the names in the order of their rank, as in their judgement they should be arranged. These the lists when returned were averaged and the eighty named heading this average list were chosen as the eighty representatives of Mathematics in the first one thousand men of Science in America. Only one man from the State of Pennsylvania is among the eighty selected as above and Doctor Stecker has the honor to be that one man.
